

Being a column in which the publisher just "blows off the steam."

By Willard Jones

FOUR HEARSEMEN, famous barbershop quartet from Amarillo that two years ago was rated the best in the nation, appeared on a SPEBSQSA show at Fort Worth the other evening, and they were tops.

Members of the foursome are all connected with the funeralizing business—one is an undertaker, another sells burial insurance, another operates a perpetual care cemetery and the fourth sells undertaking supplies.

Before they sang, they declared that business was mighty bad with them lately.

"There's a firm down at Houston that is getting all the business," the spokesman avowed. "They are cremating bodies awfully cheap. And not only that, they are bottling the ashes and selling them to the cannibals of Africa for instant people."

SAM JOHNSON, writer and diplomat, over a period of years. After these sage remarks among others...

A man had rather have a hundred lies told of him than one truth which he does not wish to be told.

It is worth a thousand pounds a year to have the habit of looking on the bright side of things.

When speculation has done its worst, two and two still make four.

He is no wise man that will quit a certainty for an uncertainty.

Whoever thinks of going to bed before 12:00 o'clock is a scoundrel.

It is better to suffer wrong than to do it, and happier to be sometimes cheated than not to trust.

Words are the daughters of the earth, and things are the sons of heaven.

Self confidence is the first requisite to great undertakings.

Partisanship is the last refuge of the scoundrel.

If a man does not make new acquaintances as he advances through life he will soon find himself left alone. A man should keep his friendship in constant repair.

The natural flights of the human are not from pleasure to pleasure, but from hope to hope.

Nothing flatters a man as much as the happiness of his wife; he is always proud of himself as the source of it.

HEARD A YARN the other day at Fort Worth about some counterfeiters that were operating out of Decatur, long famous for crap-shooters.

It seems the operatives had produced some beautiful specimens of \$15 bills, but as it came time to pass them they became a little bit dubious. Then one of the fellows suggested that they take a bunch of the bills down into Arkansas for passing.

Sure enough, when they arrived there and went into the first store they asked a man to change a \$15 bill for them.

"Sure, fellow... how'll you have it? Maybe two \$6 and a \$3 would do?"

MANY YEARS AGO some sage said, "To err is human," and all of the animals of humanity are proof of it. If we were incapable of making errors we wouldn't be here on the good old earth; the world is a kindergarten of improvement.

We learn wisdom from failure more frequently than from success, the chemist learns successful compounds only after many experiments; the capacity for profiting from blunders is inseparable from the capacity for achievement.

Exemption from errors is not the privilege of mortals, but when mistakes are involuntary, we owe each other every candid consideration and the successful man in business or in government is he who not only profits from his own errors, but by his example reduces the errors of his associates to a minimum.

The mistakes of the past become the seeds from which grow the wisdom trees of the future.

PERSISTENCE is a splendid characteristic for all of us. A fellow who right now has football on his mind declares: "Keep plugging: A lot of fellows cross the goal line who were never in scoring position!"

KRUSHCHEV WITH TEXAS PIANIST—Van Cliburne (left), tall Texan who won Soviet Unions International Tchaikovsky piano contest, gets unstinted congratulations of Premier and Communist party boss Nikita Krushchev at a reception in Moscow. In background is interpreter. Krushchev remarked about Cliburn's height. The six-foot four-inch pianist said of the premier, "He's a sweet man."

Flower Show Draws Crowds Saturday

Good sized crowds attended the second annual spring Garden Show staged Saturday by the Hamlin Garden Club at the Hamlin High School gymnasium that featured scores of beautiful flower and hobby displays.

The display of flowers was less elaborate than anticipated because of unseasonably cold weather in recent weeks that retarded the blooming of some plants, especially roses, officials of the club stated.

Special awards went to three women during the show. Mrs. L. B. Williams, who recently won the tri-color award, presented a brown award of distinction for her bulletin board used at the show.

First awards of blue ribbons went to the following exhibitors: Mrs. Charles Lovell, Class 3; Mrs. Clyde Grice, Class 5; Mrs. L. B. Gage, Class 7-A; Mrs. C. F. Cook, Class 7-B; Mrs. Charles Lovell, Class 8-A; Mrs. L. B. Williams, Class 8-B; Mrs. LaFoy Patterson, Class 8-C; Mrs. W. A. Cassie, Class 9; Mrs. Harold Bonner, Class 23; Mrs. Harold Bonner, Class 23-B; Mrs. C. G. Green, Class 25; Mrs. J. P. Morgan, Class 25-B; Mrs. LaFoy Patterson, Class 26; Mrs. Vera Nobles, Class 28; Mrs. Edmund W. Robb, Class 30; Mrs. J. P. Morgan, Class 31; Mrs. Clyde Grice, Class 38; Mrs. LaFoy Patterson, Class 39-A; Mrs. C. C. Prater, Class 39-B; Mrs. E. D. Moore, Class 40; Mrs. J. P. Morgan, Class 43; Mrs. C. F. Gage, Class 44.

Sophomores Continue to Lead HHS Classes Making Six-Week Honor Roll

Sophomores of Hamlin High School continued their command of classes making the honor roll when they placed 32 on the top ranking group for the second semester, according to tabulation of the honor roll just released by B. V. Newberry, high school principal.

Juniors were second in rank with 27 students, freshmen were third with 25, and the seniors had 15 on the honor list.

The complete honor roll as released this week follows:

Seniors: All As—Kline Irvine, Renee Moore, Billy Murff and Elva Siburt; A average—Deloris Carter, Everett Gibson, Joyce Grimm, Benita Smith and Joe Stephens; B honor roll—Whynama Hayes, Donna Kidd, Don Rose, Bob Spaulding, Sandra Stuart and Virgil Wilson.

Juniors: All As—Jerry Carlton, Jerry Crowley and Libby Johnson; A average—Wesley Acklin, Eddie

Film to Be Shown at GOP Meet Monday

A special film will be shown as a feature of the meeting next Monday evening of the Ground Observer Corps, states J. C. Burton Jr., supervisor of the local post.

Sergeant Jay Hyde of the regional GOC office at Abilene will be present and give training instruction at the session, which gets underway at 7:00 o'clock.

Six Holidays Set For Observance by Voting, Says BCD

Observance of six holidays during 1958 was approved Monday evening when the board of directors of the Hamlin Board of Community Development met and canvassed the ballots cast recently by business and professional men and firms.

The approved holidays are Memorial Day, Friday, May 30; Independence Day, Friday, July 4; Labor Day, Monday, September 1; Veterans Day, Thursday, November 11; Thanksgiving Day, Thursday, November 27; and Christmas Day, Thursday, December 25.

The ballots were designed to get a cross-section of the feelings of firms about closing for officially approved holidays. All six received more than 70 per cent of the 110 ballots cast.

The BCD approved a plan to improve the airstrip north of the Katy railway. A committee composed of Gene Prewitt, Johnny Agnew, W. T. Johnson and John Howard Jr. was named to handle details of clearing the landing strips.

Trade Buck Plan of engendering more patronage of Hamlin community firms was approved after presentation by Joe Hudspeth, chairman of the retail trade committee. A meeting of business men has been called for Friday morning at 9:30 o'clock at the Ferguson Theater to outline the project more in detail.

Sunday Schools Gain in Attendance Over Low of Previous Week

Sunday Schools of most Hamlin churches recovered last week considerably from the low record of the previous week. The Sunday total of 1,292 was 247 more than the previous week but 144 less than the year ago figure, which was on Easter Sunday.

Attendance, by churches, for April 20, April 13 and a year ago follows:

Churches—	Apr. 20	Apr. 13	Year Ago
No. Cen. Baptist.....	70	61	101
First Baptist.....	373	272	466
Oak Gr. Col. Baptist.....	58	13	68
Mexican Baptist.....	27	9	42
Ch. of Nazarene.....	167	87	110
First Methodist.....	224	239	223
Foursquare Gospel.....	59	46	49
Faith Methodist.....	43	42	47
Sunset Baptist.....	58	38	69
Church of Christ.....	162	176	148
Calvary Baptist.....	61	33	58
Assembly of God.....	40	29	54
Totals.....	1292	1045	1436

RECEIVING CERTIFICATES AND PINS for having completed a year of vocational nurse training at the Hamlin Memorial Hospital were held recently at the Faith Methodist Church were the group of women above. Presenting the certificates and pins was Mrs. Elizabeth Kraft, supervisor of nurses at the hospital. (Burton Photo).

AWARDS OF DISTINCTION were presented to the three Hamlin women above as a climax to the Spring Garden Show staged Saturday under sponsorship of the Hamlin Garden Club. Mrs. L. B. Williams (left) was presented the tri-color award; Mrs. M. T. York (center) was awarded a brown award of distinction for her work on the bulletin board shown; and Mrs. LaFoy Patterson won orange and brown awards of distinction.

City-Wide Clean-Up in Hamlin Is Scheduled for Next Week

Judson Prince of Fort Worth to Lead Baptist Revival

Annual spring revival of the First Baptist Church will get underway Sunday, according to Rev. Calvin Bailey, pastor. Services will be held next week at 10:00 a. m. and 8:00 p. m. The revival will continue thru Sunday, May 4.

Evangelist for the series of revival services will be Rev. Judson Prince, pastor of the Oakhurst Baptist Church of Fort Worth. An outstanding speaker of the denomination in Texas, Rev. Prince is a Bible scholar of interest, declares Bailey.

Directing the music for the meeting will be Bill Davis, musical director of the church, who will lead the congregational singing and present special numbers during the eight-day revival.

Pastor Bailey and his congregation extend an invitation for the public to attend.

EVANGELIST for the series of revival services beginning Sunday at the First Baptist Church will be Rev. Judson Prince, pastor of Oakhurst Baptist Church in Fort Worth. The services will continue through the following Sunday, May 4.

HOME FOR WEEK-END. Gene Steele, student at Hamlin-Simmons University at Abilene, was home for the week-end for a visit with homefolks.

Extra Trucks to Be Furnished by City for Pick-Up

Concerted city-wide clean-up for Hamlin has been set for the week of April 28 through May 3. It was announced this week by the Hamlin City Council and the Board of Community Development.

In setting the spring clean-up city officials are urging the entire citizenship of the community to participate in the campaign to gather up cans, bottles, old tires, tree trimmings, weeds and all forms of debris that has accumulated during the past fall and winter throughout the business and residential sections of the city.

The trash should be put in boxes and sacks that can be handled by one man, and placed in accessible places in the alleys. Extra trucks will be put in service by the city to handle the extra trash during next week, city officials announce.

Since fly and mosquito breeding season begins soon, special stress is placed on gathering up old cans and bottles and other receptacles that will hold water for possible insect breeding sites. The citizens are urged to clean up adjoining vacant lots as well as their own premises.

Paula Andress Wins City Correct Posture Contest Monday Eve

Paula Andress was selected as Miss Correct Posture of Hamlin in the correct posture contest held Monday evening at the high school auditorium. Runner-ups in the competition were Joyce Grimm and Bette Teague.

Judges for the contest were Mrs. L. McClung, Mrs. Kenneth Riddle and Stan Sheppard of Hamlin and Dr. C. L. McInturf of Abilene.

Austin Siburt, minister of the Hamlin Church of Christ, acted as master of ceremonies, and Mrs. J. W. McCrary furnished music for the occasion.

Miss Andress will represent Hamlin in the district contest to be held May 2 at San Angelo. Winner of the district contest will participate in the state contest, to be held at the Texas State Chiropractor Association Convention in Dallas from June 13 to 15.

Probably Only \$1.40 Needed for Present Budget

An election to vote on a proposition to raise the tax rate limit from \$1.25 to \$1.50 per \$100 in property valuation for school purposes for the Hamlin Independent School District has been ordered for Saturday, May 10. The order was issued by the board of trustees of the district at a special session Tuesday evening.

A petition circulated among representative citizens of the district and signed by more than 50 property owners of the district was presented to the school board late Tuesday. The petition asked that the election be called in order to raise more tax money for operation of the Hamlin Schools.

The petition followed several appearances by Superintendent of Schools C. F. Cook and members of the board of trustees in recent weeks before civic groups and others, where they explained the plight of the schools brought about by increasing school costs and decreasing tax revenues.

Reaction of most citizens has been that more money must be raised to meet rising costs rather than sacrifice the quality of the school program. Hence, the petition was brought about.

In detailed statements Cook has shown that more than \$30,000 has been lost by the school district in revenues in the past three years. Accounting for much of this loss has been a decrease in oil valuations in the district of \$1,200,000. Other losses are due to a rise in the state local assignment for the schools.

The schools, explains Cook, have been operating at a loss for about a year, and further deficits face the school unless more revenue are created.

Members of the school board have expressed the opinion that a tax of only \$1.40 will be necessary for the present, but the \$1.50 maximum is being voted on to allow for adjustments if needed.

More detailed information about the schools' financial predicament are scheduled to be printed in next week's Herald.

Junior-Senior Banquet Slated Next Thursday

The annual junior-senior banquet for upper classmen at Hamlin High School will be held at the Primary School cafeteria this (Thursday) evening at 8:00 o'clock.

Students of the senior class and members of the high school faculty received their invitations several days ago.

Sponsors for the host junior class group are Dora Mitchell and Harold Williams.

Plans Shaping for Big Singing Meet in City

Plans are going ahead in Hamlin for entertaining hundreds of visitors at the annual convention of the West Texas Sunshine Singing Convention, which meet at the high school auditorium Saturday and Sunday, May 3 and 4, according to Gayle Balze, secretary, of Tuxedo.

Biggest crowd is expected Sunday afternoon when an overflow attendance is expected.

Who's New This Week

Only one baby was reported this week by the Hamlin Memorial Hospital:

A son, Clifford Bradley, arrived last Sunday, for Mr. and Mrs. Bill Etheredge of Snyder. He tipped the scales at eight pounds and one ounce.

NUCLEAR WEAPONS TESTING MUST CONTINUE

Fundamentally, people are the same all over the world. In accordance with his knowledge, experience and ability to react, the emotions in Africa, New Zealand or China are seemingly the same as ours.

When the Soviets announced their intention to suspend testing of nuclear weapons the world reacted. It seemingly is natural that man wishes to hear and believe that which he wishes to hear and believe, hence the propaganda value of the Russian announcement.

Our nation, whose every act is based on the moral concept, could not make such a promise unless it intended to keep it.

It is the purpose of this nation to continue to test nuclear weapons, declares Congressman Omar Burleson in a recent release to The Herald from Washington. Russia says that if we continue to explode atomic hydrogen tests that they will be released from their promise to suspend their testing.

It is wrong to assume that all people of the world trust the United States. Millions of multiplied millions know us as little or less than they know the Russians. They are conscious of the meaning of the explosion of hydrogen bombs and fear it.

The purpose of our government in further testing is to develop the clean bomb, to control its effects and reduce its size for both military and peaceful purposes. But many

people will not listen to this reasoning. Rather they want to hear that all tests are suspended. It is the call of the Soviets.

Some years ago Philip Wylie told the story of the "Fifth Horseman." He rode ahead of his brothers, warning the people of their coming. The people laughed and refused to believe. So when the conquest, daughter, famine and death ravished the land, the people were caught unprepared. "Then when the Fifth Horseman rode back again over the ravaged land, the people reviled him and shouted, 'Why didn't you warn us?'" Infuriated by such ingratitude, he rode with his brother and was more terrible than any. His name: Reality.

From long sad experience we know that the men in the Kremlin cannot be trusted. In fact, since the days even before Lenin they have told us of their intent to conquer the world by deceit, treachery and all other means necessary to accomplish their ends.

Which of these promises should we believe? Should we believe that they are honest in suspending nuclear weapons tests; that they are sincere in their desire for a "summit" meeting, looking for ways to resolve our conflicts peacefully? Shall we believe they actually will keep their agreements; that we can trust them without a fool-proof system of inspection; or shall we believe what the Soviet leaders have told us during the past 40 years?

Nuggets of Thought

It is always easier to believe than to deny. Our minds are naturally affirmative.—John Burroughs.

Philanthropy is almost the only virtue which is sufficiently appreciated by mankind.—Henry David Thoreau.

Genuine benevolence is not stationary, but sympathetic. It goes about doing good.—William Nevers.

Benevolent feeling ennobles the most trivial actions.—William Makepeace Thackeray.

Posthumous charities are the very essence of selfishness when bequeathed by those who, while alive, would part with nothing.—C. C. Colton.

Every trial of our faith in God makes us stronger.—Mary Baker Eddy.

As the flower is before the fruit so is faith before, good works.—Richard Whately.

Conservation for Future

"The successful operation by farmers of a nation-wide soil and water conservation program through their Soil Conservation District has proven that a free enterprise operation can do the job effectively and that a free people can govern themselves as in contrast to 'conservation by government edict'—and expensive, tax-supported administrative agency operation."

That was said by Nolan J. Fuqua, president of the National Association of Soil Conservation Districts, at a speech before the last annual convention of the Farm Equipment Institute. And that was certainly a logical place to talk about conservation—for modern agricultural machinery has done more than any other factor to make it possible, practical and profitable.

Fuqua said that there are more than 2,700 of these districts in all administered by locally elected farmers and ranchers. Nearly 2,000,000 farmers are participating in conserving soil and water conservation plans throughout the country. And here is a work of a real cash value—for it has been proven that conserving soil and water increases the annual net farm income by \$5 to \$15 per acre.

It is the means whereby the limited farm acreage will be preserved for the future generations. In this way, according to Fuqua, the most urgent conservation problem is being solved.

The Real Boss

Said someone on passing, "What a beautiful house, I wonder whose it is?"

"The design is mine," said the architect.

"I built it," said the contractor.

"That's some of my work," said the bricklayer, the excavator, the cement contractor, the plumber, the electrician, the carpenter, the plasterer and the glazier.

"I made the rooms so livable," said the interior decorator.

"I painted that white framework and the blue shutters," said the painter.

"I planted the shrubs and bushes, and designed the winding brick walk," said the landscape gardener.

"I furnished the water, the gas, the electric light, the sewerage, the sidewalk, the paved street, and police and fire protection," said the city.

"I sold the furnishings," said the owner of the big department store.

"It was all my idea, and I planned the conveniences," said the wife.

"I worked hard for the money," said the husband.

"I helped you with the finances," said the banker.

"I introduced you two young people," said the maiden aunt.

"It is my home; it was built for me," said the baby.

Editorial of the Week

USES OF PAPER CLIPS

It's hard to keep track of the various committees of one kind or another that pop up in Washington and so it's not surprising to have the Manchester Guardian report one one that few Americans have heard about.

It's a committee which investigated the use of 100,000 paper clips to make sure that they were put to economic and useful purposes. The findings:

About 20,000 were used properly to clip paper. Of the remaining 80,000, more than 3,000 were used as pipe cleaners, 5,309 as nail cleaners, 5,434 as toothpicks or ear scratchers, 19,413 as clips in card games, 14,143 were destroyed or bent out of shape during boring telephone conversations, 7,250 served as emergency hooks on brassieres and suspender belts, and the balance fell to the floor, were swept up or were swallowed by small children. The Guardian journal.

RECALLING Other Years

☆ Being news items taken from old files of Your Home - Town Newspaper, The Herald.

THIRTY YEARS AGO.

Among happenings in the Hamlin community 30 years ago were the following, being news briefs reproduced from the issue of The Hamlin Herald dated April 6, 1928:

First big hatch of baby chicks at the new Hamlin Hatchery was taken off Tuesday morning by Manager Curtis Martin. There were 7,101 chicks in the first hatch. The new Hamlin enterprise has a capacity of 47,000 eggs.

Contract was let Tuesday for a new church building by the First Baptist Church. Contract went to Tip Ross of Gorman, former Hamlin resident, on his low bid of \$29,925.

W. D. Cooper, while electioneering in the Tuxedo community last Friday, was slightly injured in a car wreck. His Buick roadster was struck by a high powered car driven by Dick Colbert of Stamford. The Colbert car turned over twice and was damaged considerably.

J. J. Waggoner was reelected as mayor of Hamlin in the city election Tuesday. Also named to City Council places were Fred H. Britton, Paul Bryan and Martin McCain, all unopposed.

TWENTY YEARS AGO.

The following news briefs, reflecting goings-on in the Hamlin community 20 years ago, are reprinted from the issue of The Hamlin Herald dated April 8, 1938:

Lone Star Cafe, operated by Carmichael brothers, and the Tom Vaughan building next door were completely destroyed by fire last Thursday night. Considerable damage was also done to the Reynolds Drug Store next door by a blast originating in the drug store ceiling during the fire.

Joe Culbertson was reelected mayor of Hamlin and Clyde Wilson, J. W. Ezell and H. O. Cassie were elected aldermen in voting Tuesday.

Several Home High School home economics girls attended the district meeting at Stamford Saturday afternoon. Among the girls were: Oma Lee, Mary Ann, Mary, Helen, Mary, and Mary.

Dr. J. T. Bynum Jr. and wife celebrated their 25th anniversary of practice to take special occasion. Dr. Bynum has been in the Hamlin community for 25 years. He and wife, Dr. Pauline Inzer.

TEN YEARS AGO.

Among news items of interest in the Hamlin community 10 years ago were the following, reproduced from the issue of The Hamlin Herald dated April 9, 1948:

Only one week was required for area citizens to secure the right-of-way for the proposed extension of the farm-to-market road from Nelsa to the Chapel community on Highway 180, six miles farther south, which may be a record time.

Annual Jones County Singing Convention, held last week-end at Anson, drew more than 4,500 singers and song lovers from a wide territory.

HHS Pied Piper baseball team played Tuesday afternoon to usher in the 1948 season by defeating the Merkel Badgers by a 25 to 8 score.

Rev. John Oslen, pastor of the First Baptist Church, left Monday for Houston to attend the state Sunday School convention.

More than 400 people attended the annual membership banquet of the Hamlin Chamber of Commerce Tuesday night.

Arlie Cassle, Clyde Huff and B. M. Brundage were elected to the City Council in the city election Tuesday.

FIVE YEARS AGO.

From the issue of The Hamlin Herald dated April 10, 1953, the following news items of interest were taken, reflecting happenings of five years ago in the Hamlin community:

Jake Lawson of Hamlin was elected president of the Mid-West Texas Firemen's Association last Thursday at the annual business meeting of the group held at Haskell.

Onis Crawford and Tarleton Williamson were elected to the Hamlin Board of School Directors in voting Saturday.

A. J. A. named aldermen on the City Council in voting Tuesday of this week. A group of 100 voters that led in the Hamlin territory Sunday afternoon will be of some benefit to the wheat crop. However, a rain is needed.

Winn's Variety Store Managers Told That Business on Upgrade

"Business is on the upgrade," declared officials of the Winn Variety Stores chain when they spoke last Friday morning at a meeting of 20 managers of stores of this area at the oil mill guest house. A luncheon was given for attendants.

Managers present were Jasper Gentry and Mary Sullivan of Anson, Alfred Myers of Breckenridge, Cliff Switzer of Graham, Martin Middlebrook of Winters, Mrs. Mary Rudd of Crosbyton, Bill Barrett of Rotan and Ed Croan of Hamlin.

C. C. Sheffield of Rotan, superintendent of stores in West Texas, was in charge of the meeting.

From the home office at San Antonio were Messrs. Lynn Spears, Ivetts, Williams, Fryar, Shipley,

New Bulletin on Grass Available by Agent

A new bulletin on improved Bermuda grasses for golf greens, athletic fields, etc. is now available at the county agent's office. This new grass, Texturf 1F, produces a dense ground cover that tends to be free of weeds, it is relatively free of unsightly seed stems and makes good spring recovery.

The bulletin also describes two other varieties which may be of interest to residents of this area, says County Agent Kirby Clayton.

A game similar to backgammon was played by the Aztec Indians of Mexico centuries before the arrival of Cortez.

Boland, Morris, Hodge, Redditt and Carroll.

Grade School Cagers of Old Glory Feted at Banquet; Other News Notes

Clarice Leverett, Correspondent

"How you play the game" was stressed by Mose McCook, speaker at the Old Glory Grade School boys' and girls' banquet recently. Honoring the grade school basketball teams, the coach, V. R. Leverett, and parents, staged this event in the school cafeteria.

Following the basketball theme and with colors of red, white and blue, the tables were decorated with crepe paper runners and miniature ball courts. Head table featured a larger court with miniature players, referees and coach. Place-cards were miniature score-boards with the program, menu and players' names inside.

The banquet decorations and foods were planned and prepared by the mothers. Mrs. Odine Spitzer was chairman of decorations. Waitresses were girls from the junior and sophomore classes and they were helped in the kitchen by Mrs. Ted Jennings.

McCook, a former athletic participant in sports, a former coach and associated with the Athletic Supply in Abilene, pointed out that goals should be set high and rules followed whether a person is a player on the court or as a player in life.

Coach Leverett summarized the year's activities and presented the six trophies won during the year. These included district championship by both boys and girls, three tournament first places by the boys and one consolation by the girls.

Feature numbers included piano selections by Jeanie Tredemeyer and Sarah Shatto, and a reading by Bernice Offill. Opening and closing prayers were given by Ansil Sawyers and Tom Pritchard respectively.

Showers fell over the Old Glory

area Saturday and Sunday. The amount of rain was from three-quarters of an inch to more than one inch. The moisture was really needed for the grain, because of the recent dust storms and high winds.

Mr. and Mrs. Harvey Latham and daughters visited Mrs. Latham's parents, Mr. and Mrs. McMinn, in Texarkana.

Mr. and Mrs. Melvin Lehmann and children of Fort Worth have been visiting their parents, Mr. and Mrs. Louis Spitzer.

Mrs. Jack Fuqua and her mother, Mrs. Alice Macon, visited Mr. and Mrs. Lynn Flowers last Thursday.

A large crowd attended the school fun festival Friday night. The usual games and attractions, bingo, cake walk and many others, were enjoyed. Highlight was the coronation ceremonies. Marja Vargas, senior, was crowned High-School Festival Queen, and was escorted by her brother, Sam Vargas. Stephanie Letz was crowned Grade School Princess and was escorted by Mike Baldree.

County Agent Truett Hennig says that a good sized crowd of farmers attended the first tractor maintenance school held Saturday at Old Glory. Hennig and W. H. Vahlenkamp had charge.

Reunions from Saturday's school trustee election at Old Glory on Saturday showed a total of 71 votes cast. Lewis Corzine was elected to fill the vacancy left by the resignation of Carl Druesedow. Herbert Vahlenkamp was re-elected.

Mr. and Mrs. Raymond Gerloff of Abilene visited his mother, Mrs. Katie Gerloff, Sunday.

Mr. and Mrs. Louis Rinn and sons of Fort Worth have been visiting their parents, the John Letz and the Herbert Rinn.

Mrs. A. L. Flowers hosted a quilting party at her home Tuesday afternoon, April 8, at 2:00 o'clock. A quilt was completed for Mrs. Carl Hunt.

Old Glory tennis players made almost a clean sweep of district honors. Clarice Leverett won first in high school girls' singles; Joe Baitz and Jackie Hogard won first in boys' doubles; Bill Franklin won second in boys' singles; high school junior boys won by default.

In grade school games at the district tennis meet Alden Lowack won first in boys' singles; Sandy Leverett and Eddie Patterson won first in boys' doubles; Mary Boles and Sharon Leverett won first in girls' doubles.

The District 14-B Interscholastic League meet was held at Aspermont. Winners from Old Glory were: Bernice Offill, second in typing; Bernice Offill, second in girls' poetry reading; Clarice Leverett, second in girls' extemporaneous speaking; Bobby Hunt,

Livestock Moves Slower at Fort Worth At Unsteady Prices, Report Declares

Slaughter lambs were very slow and prices were 50 cents to \$1 lower on the Fort Worth market this week, according to the weekly release of Ted Goudy, special market reporter for The Herald.

His release continues: Sheep also sold around \$1 lower. Choice spring lambs topped at \$22.50 sparingly. Old crop shorn lambs topped at \$19.50.

Cattle and calves were active and fully steady, some sales of cows were 25 to 40 cents higher.

Hogs were steady to 25 cents

lower. Choice butcher hogs cashed at \$21.25 to \$21.50, and mixed grades and weights sold from \$19 to \$21. Sows sold from \$18 to \$20, and feeder pigs cashed at \$20 downward.

Good and choice spring lambs sold from \$21 to \$22.50, and cull to medium spring lambs sold from \$16 to \$20. Feeder spring lambs sold from \$20.25 downward.

Good and choice old crop shorn lambs sold from \$18 to \$19.50, and cull to medium sorts sold from \$15 to \$17.50. Feeder old crop lambs sold from \$18 down, and stocker ewe lambs sold up to \$21.50. Two-year-old wethers sold from \$17 down, and aged wethers cashed at \$15 down. Slaughter ewes sold around \$9 to \$9.50.

Good and choice slaughter steers and yearlings cashed at \$25 to \$29, and common and medium offerings cleared at \$16 to \$24. Slaughter heifers sold from \$27.50 downward.

Good and choice slaughter calves netted from \$25 to \$28, and common and medium offerings cashed at \$17.50 to \$24, while culls sold from \$14 to \$17.

Fat cows sold from \$17.50 to \$21, and canners and cutters drew \$12 to \$17.50. Bulls cashed at \$10 to \$21. Medium and good stocker steer calves sold from \$25 to \$30, and stocker steer yearlings went at \$28.50 downward.

VISIT IN HAMLIN.

Mrs. John O. Moore and children of Oklahoma City and Mrs. Tom P. West and children of Abilene visited their mother and grandmother, Mrs. H. A. Johnston, for several days.

Carl Murrell Tells Lions Club BCD Is Making Progress

Projects are being shaped by the newly organized Hamlin Board of Community Development to improve the economy of the community, declared President Carl Murrell of the BCD, as he gave a brief resume of activities of the organization when he spoke at the Tuesday noon luncheon of Hamlin Lions Club at the oil mill guest house.

"Agriculture is basic to the Hamlin community," pointed out Murrell, "and the BCD is concentrating efforts to keep the farmers on the land by helping to make farming more profitable through conservation, providing markets and offering further assistance."

Murrell reported that 135 members have been signed up in the BCD, and more than \$8,300 has been pledged on the \$10,000 budget for the year.

Other projects already carried out and planned by the BCD include assistance with highway right-of-way procurement, improvement of Hamlin airport, expansion of retail trade, assistance with farm projects, declared Murrell.

Besides Murrell, other guests at the Tuesday luncheon included Ed Priest of Abilene and Rev. H. C. Adair.

Clarence Parker in Sul Ross College Band Playing at Santone

Clarence Parker, member of the Sul Ross marching band will be among the Sul Ross State College students from Alpine marching in the Battle of the Flowers in San Antonio on the night of April 24. Young Parker is a graduate of Hamlin High School.

Some 20,000 people will watch the Sul Ross Band, which will be featured at the Battle of Bands on Thursday night of the gigantic affair. As the special attraction the Sul Ross Band students, under the direction of Joe Bellamah, will head the activities of the night in which high school bands from around and in San Antonio will compete in the Battle of the Bands.

Departure is scheduled for April 21, and the group will return to Sul Ross on April 26. Among the schools at which the band will perform while on tour are San Angelo High School, Lake View High School of San Angelo, Robert Lee High School, Santa Anna High School, Ballinger High School and Llano High School. On arriving in San Antonio, the band will play for three high schools there.

Largest river basin in the world is that of the Congo River in Africa.

Constable is derived from Latin words meaning "master of the horse."

Officers for New Year Installed by Fifty-Two Study Club at Luncheon

Last stop on the Fifty-Two Study Club's "Tour of Knowledge" was at Mack Epley's Cafeteria in Abilene, where Eudora Hawkins of Abilene, installed the new officers. The luncheon was held in the banquet room with Mrs. Noel Weaver as hostess.

Tables were beautifully decorated with an arrangement of pink carnations as centerpiece. Plate favors were little garden chairs and a sterling silver olive fork, gift from the president.

At the impressive installation, in which Miss Hawkins used verses of the Bible for each officer's duties, the following officers were installed: Mrs. Irby Weaver, president; Mrs. Cecil Sellers, first vice president; Mrs. J. T. Cox, second vice president; Mrs. Dale Lain, recording secretary; Mrs. L. A. Joiner, corresponding secretary; Mrs. J. O. Murphree, treasurer; Mrs. Charles Newland, reporter-historian; Mrs. Tommy Davis, librarian; Mrs. Gene Westmoreland, parliamentarian; Mrs. B. O. Bell, federation counselor.

Committees named by the new president for the coming year are: International Affairs—Mmes. Gerald Young and F. E. Bayouth. Home—Mmes. W. L. Moran, Gerald Young and Dale Lain. Telephone—Mmes. Dean Witt and Tommy Richey.

Program—Mmes. J. T. Cox, E. J. Croan, W. L. Moran, Gene Westmoreland and B. O. Bell. Representing Standing Committees—Mrs. Jack Wicker. Education—Mmes. Noel Weaver and Tommy Richey. Methods and Finance—Mmes. Edgar Lewis and J. O. Murphree. Community Affairs—Mmes. W. G. Ferguson, W. S. Seals and Neil Lammack.

Friendship—Mrs. L. A. Joiner. Communication—Mmes. Joe League and Gene Westmoreland. Americanism—Mmes. F. E. Bayouth and B. O. Bell.

Public Affairs—Mmes. Jack Wicker and Charles Newland. Conservation—Mmes. Tommy Davis and E. J. Croan. Membership—Mmes. L. A. Joiner and Joe League.

Fine Arts—Mmes. W. S. Seals and Cecil Sellers. Texas Heritage—Mmes. Dean Witt and Fred B. Moore.

Twenty members and one guest attended this last meeting of the year.

Correct Wearing of Accessories Help to Accent Latent Beauty

The right way of wearing cosmetics, hair-dos, jewelry or apparel often brings out latent beauty and rates you an admiring second look—the male accolade given a beautiful woman.

Give eyebrows a natural look by carefully sketching them on. Then run a soft brush through them so they are not plastered down. Rouge is never daubed on like paint, but patted on.

Lipstick can build up too-thin lips or reduce thick lips. A lip brush provides a finer line and its use makes lipstick stay on longer. Apply it over a powder base for best results. Avoid the use of hot water when washing your face. Warm water is preferable.

Further care of the skin should include bath oil in bath water to prevent chapping. Alcohol bases in lotions sometimes cause the skin to dry and scale. Camphor-base lotions for this reason are kinder to your complexion.

Hair is still woman's crowning glory. Oily hair should be shampooed several times a week. Ordinarily the hair requires only a weekly shampoo. Be particular in selecting the right hair-do.

All women should never wear vertical stripes that accent their height. Short girls should shun horizontal stripes that emphasize stoutness. Posture is important, too. Many women have a tendency to slump themselves in a relaxed "couch." This posture will ruin the effect of a pretty dress and a lovely figure.

Elmer Hawkins Will Be at Home Sunday

Dr. and Mrs. Elmer J. Hawkins, Lou Ann, Jimmy and Sharon will be at home to their friends in their newly completed home on West Lake Drive Sunday afternoon.

Visitors are invited to call between the hours of 1:00 and 7:00 o'clock.

THESE WOMEN!

By d'Alessio

"Understand, now, madame. We're slow to anger at overdue accounts, but once aroused..."

National Home Demonstration Week Will Be Observed with Tea at Anson

Plans were made to celebrate National Home Demonstration Week with a county-wide tea for members of the Home Demonstration Clubs when the Jones County Council met at Anson last Wednesday.

The tea will be held Wednesday, May 7, at 2:30 p. m. at the Woman's Club building in Anson. The featured speaker will be Fern Hodge, district agent.

Bluebonnet and Friendship Clubs will have charge of decorations and clean-up before; Good Neighbor will register; welcomes will be extended by Goodman; Willow Creek and Avoca will have charge of refreshments and furnish the cookies; Friendship Circle, Sunshine and Stith clubs will do the serving; Tuxedo and Pleasant Valley will have charge of the program; and Campere and Lueders will clean up after the activities are over.

A report of the district meeting at Rotan was given by Mrs. Carter, Mrs. Fuqua and Mrs. Joiner, the three delegates from Jones County. Twenty-six women were present from Jones County. Mrs. Clarence Davis of Hardeman County was elected district vice president to succeed Mrs. Bill Hardy of Fisher County.

Members of the council were reminded that June is the time to pay the \$1 per club membership and also of the three-county camp at Lueders, to be held July 24 and 25. Jones County will have charge of the camp crafts this year.

On Thursday morning, April 24, at 9:30 there will be a rat control demonstration conducted at the

Floyd Moore farm at Funston, it was announced. That afternoon at 2:30 there will be one on the farm of John R. Brown Jr. in the Neinda community. Rat poison will be sold on the grounds at 25 cents per pound, and is a very effective means of controlling rats and mice around the farm. To be fatal it has to be eaten several days in succession, therefore, it is not harmful to children or pets if they should eat of it accidentally.

Thirteen county clubs were represented with 25 members and four visitors attending the council meeting.

School Board Organized and Rest of Teachers Elected for Next Session

Organization of the board of trustees for the Hamlin Independent School District was perfected at the last regular session of the group following election of two members to the board. At the session most of the remaining members of the faculty were elected for the 1938-39 school term. Key members of the faculty had previously been named.

Officers of the board of trustees are: Fred B. Moore Jr., president; Eddie Jay, vice president; Richard Young, secretary; and Bill Harbert, assistant secretary. Other members of the board are W. C. Eoff, Noel Weaver and Dr. M. L. Smith.

The following teachers were elected:

Hamlin Primary School—Mrs. Ina B. Williams, Mrs. Lily M. Hennington, Mrs. Marylee Rosenbaum, Mrs. Margaret A. Norton, Mrs. Mae Hennington, Mrs. Maude S. Elkins, Viola Avants, Mrs. Lucetta S. Stell.

Hamlin Elementary School—Georgia Moore, Mrs. Ima Shout, Mrs. Ethel Allan, Maggie Mae Seymour and Mrs. Leone Brown.

Hamlin Junior High School—Harry Martin, Mrs. Lillie Gibson, Mrs. Olivia Griggs, Mrs. Georgia L. Lewis, Mrs. Bernice R. Johnson, Mrs. Hermona Jenkins, Jon Adams, Lola L. Milstead, Mrs. Inez Ferguson and Mrs. Bessie L. Miers.

Hamlin High School—Harold L.

Officers Installed for New Club Year by Literary Club Group

The club president was honored by members of the Woman's Literary Club when they met in the home of Mrs. Dick Maberry for the closing tea of the club year.

The table was laid with a white embroidered organdy cloth, and purple iris were arranged for the centerpiece. Mrs. Maberry greeted guests and directed them to the dining room, where Mrs. Bill Harbert poured tea.

Two new members, Mrs. W. C. Weir and Mrs. Johnny Agnew, were welcomed by the president.

The course of study selected for next year is "Abundant Living Through Service."

Mrs. Maberry installed the following officers for the forthcoming club year: Mrs. A. B. Carlton, president; Mrs. Richard Young, first vice president; Mrs. Duane Stalcup, second vice president; Mrs. J. L. Fitzgerald, recording secretary; Mrs. W. A. Cassle, treasurer; Mrs. John D. Ferguson, critic; Mrs. Tarlton Willingham, parliamentarian; Mrs. John Ed Day, corresponding secretary; Mrs. Perry Sparks, press reporter; Mrs. O. D. Roland, librarian; Mrs. J. W. McCrary, musician.

Following the installation of officers, Mrs. A. B. Carlton presided over the remainder of the program, and appointed her committees. Mrs. Art Carmichael was elected representative to the Woman's Forum and Mrs. F. C. Briscoe was named alternate.

WHERE IT COMES FROM.

"So God has sent you two more little brothers, Sally," said the minister to the little girl.

"Yes," she replied, "and He knows where the money is coming from, too. I heard Daddy say so."

Program on Aprons Given at Meeting of Friendship HD Club

A program on aprons featured the meeting of the Friendship Home Demonstration Club met last Friday afternoon at 3:00 o'clock at the oil mill guest house. An exchange of patterns also was conducted.

There were aprons of all kinds—party aprons, hostess aprons, all-purpose aprons and then just plain every day aprons. About 25 aprons were on display.

A member of the Friendship Club recently attended the District 3 meeting of THDA at Rotan, and reported on the meeting.

The hostess, Mrs. Jack Collins, served coffee and cookies to eight members and four visitors.

Next meeting of the group will be Friday, April 25, at 3:00 p. m. at the home of Mrs. Fred Carpenter, 545 North Central Avenue. The program will be on outdoor meals for the family.

Answering roll call Friday were Mmes. Jack Collins, D. W. Carlton, R. M. Young, Fred Young, W. H. Murphree, M. S. Johnson, Gean Witt and Sol Branscum. Guests were Mmes. M. E. Green, Bill Smith, Mack Perdue and Raleigh Reynolds.

Governor Proclaims Cotton Week in Texas

Efforts to stimulate the sales of cotton products have been boosted with an official memorandum by Governor Price Daniel designating May 19 to 24 as Cotton Week in Texas.

With the action, Texas officially joined in the observance of National Cotton Week. More than 15,000 retail stores and many communities across the country are taking part.

"Cotton plays an important role in the economy of Texas, accounting for 33.2 per cent of the farm marketings, and bringing an income of over \$630,000,000 annually at the farm level," Governor Daniel said.

Chile has a 2,653-mile coastline, but is only 31 miles wide at some points.

It is regrettable that the vocational agriculture department has gotten so small that it was necessary to cut the department to one teacher, states Cook.

Williams, Dora Mitchell, Mrs. Camille S. Simmons, Mrs. Edith A. Carter, Mrs. Allie E. Scott, Mrs. Montie M. Wade, Mrs. Zelma R. Hulise, Gus Young Jr., Neil V. Laminack and Jimmy A. Vaughn.

DePriest Colored School—Mrs. Ethel F. Ford, Mrs. Lottie V. Morgan, Mrs. Dollie P. Brown, Ellis Wamsley Jr., Roosevelt J. Jones and Mrs. Wilmoth L. Butler.

Other Personnel—Mrs. Neva

Ruth Carlton, secretary to superintendent; Haskell Carter, tax assessor-collector; Mrs. Ruby Burkhardt, secretary to high school principal; M. S. Johnson, bus mechanic; and Mrs. Jean Davis, school nurse.

The board discussed the decrease in enrollment in the vocational agriculture department. The enrollment has dropped to such that one and one-half teachers are all that can be employed for 1938-39. The local district has to pay one-half of the salary, which is about \$2,700. The state law requires that a vocational agriculture teacher on half-time basis can only keep one study hall. Therefore the board has cut the school back to one vocational agriculture teacher. This being the fact, Harold Eades was not re-employed.

Mr. Eades has done a fine job here in our school, declares Superintendent C. F. Cook, as well as in his church and community. It

ENGAGEMENT and approaching marriage of Mary Margaret Willingham to Kenneth Holloway is being announced this week by Miss Willingham's parents. The wedding date has been set for June 21.

Xi Gamma Pi Gives Friendship Program

A program on "Friendship" was given when members of the Xi Gamma Pi chapter of the Beta Sigma Phi met Thursday afternoon in the home of Mrs. Jerry Waggoner.

The program was presented by Mrs. Wesley Nail, assisted by Mrs. M. L. Smith, Mrs. Gerald Young and Mrs. W. T. Johnson.

Refreshments were served to the following members: Mmes. E. J. Hawkins, George Poe, E. D. Perrin, C. Weldon Griggs, M. L. Smith, Wesley Nail, Gerald Young, W. T. Johnson and Jerry Waggoner.

Success is the ability to make more money to meet obligations you wouldn't have if you didn't have so much money.

Mary Willingham to Wed Ken Holloway in June 21 Ceremony

Mr. and Mrs. Tarlton Willingham of Hamlin are announcing the engagement and approaching marriage of their daughter, Mary Margaret, to Lieutenant Kenneth L. Holloway of Fort Riley, Kansas. He is the son of Mr. and Mrs. Henry Holloway of Anson.

The wedding will take place at 7:30 p. m. June 21 in the First Methodist Church at Hamlin. A reception will be held following the rites at 302 Northwest Avenue F.

The bride-elect will be attended by Mrs. Spero T. Constantine of Midland, matron-of-honor; Mrs. R. B. King Jr. of Fort Worth, Nancy White of Dublin, Martha Willingham of Corpus Christi, and Elizabeth Johnson, bridesmaids; Jeanne Marie Young of Hamlin, flower girl; and Jerry Stephens of Fort Worth, ring bearer.

Don Holloway of Anson will attend his brother as best man. Groomsman will be Jack Willingham of Hamlin, Don Tabb of Albany, Jim McQue of Fort Riley, Hamlin.

Miss Willingham is a graduate of Stephens College and is now a senior at Texas Christian University in Fort Worth, where she is a member of Kappa Alpha Theta Sorority. Lieutenant Holloway is a graduate of Texas A. & M. College.

PUTTING IT PLAINLY.

"What would I get," inquired the man who had just insured his property against fire, "if this building should burn down tonight?"

"I would say," countered the insurance agent, "about 10 years."

Imagine Being Happy During CHANGE-OF-LIFE!

Thousands of women now go "smiling through" these trying years—without awful suffering from "hot flashes"! Countless women have found you no longer have to feel sickly, "old" before your time. Today, many can enjoy change-of-life—without terrible suffering!

Pinkham's Tablets have been developed especially to relieve those functionally-caused "female miseries." Their unique formula includes blood building iron! With Pinkham's Tablets, you can escape much of the "hot flashes," irritability, you're ready to start living again!

NO PAINFUL SHOTS! 8 out of 10 tested by doctors got thrilling relief—without costly shots! Why not you? Get Lydia E. Pinkham's Tablets at drug stores. See if you don't find new happiness during change-of-life!

IF YOU PREFER A LIQUID, druggists also have Lydia E. Pinkham's Vegetable Compound.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

Austin.—Unemployment or no unemployment, most people this side of the Rio Grande aren't willing to bend their backs to pull onions at 50 cents an hour.

So say Texas farmers. Their crops are going to rot in the fields, they add, if the U. S. Department of Labor doesn't relax restrictions on importing Mexican nationals.

Spokesmen for organized labor have demanded a ban on importing labor because of climbing unemployment. But farmers say that idle aircraft mechanics, no matter how numerous, are no help in getting the crops in. According to the farmers, abundant rainfall gives promise of the best harvests in years—if they can get field hands.

Labor Department has put a limit of 26,500 braceros to be used in Texas during April and May. It's about one-fifth the number used this time last year. Rio Grande Valley growers say they could use the whole bunch in their area.

Texas Employment Commission says there are already about 26,500 here; hence, no more imports.

Under Labor Department regulations, workers cannot be imported until the TEC certifies the jobs cannot be filled with American citizens. Valley growers recently asked for braceros to harvest the vegetables. TEC certified to a shortage of workers in the area and, even after a state-wide canvass, was unable to fill the demand.

But the federal government suggested recruiting in other states before bringing in Mexicans.

Farm groups protested to every regulatory official in reach.

Texas crop and weather conditions are such, they say, that when they need laborers, they need them then and there. Neither, they point out, do they have time or money to run all over the country looking for workers.

Though federal officials catch the brunt of their criticism, farmers put part of the blame for their labor problems on the increasingly fastidious nature of Mrs. Housewife. She won't have dirty old carrot tops any more, say the farmers. She wants clean, topped carrots—packaged in plastic. It means more work.

All Out for Safety.—Governor Price Daniel has started "the greatest highway safety campaign in the history of the state."

County judges, mayors, police chiefs, sheriffs, prosecuting attorneys, and school superintendents are being asked to hold meetings and organize local campaigns. Awards will be given to the local officials and news reporting agencies which do the best job of promoting traffic safety.

Governor's goal is to save "a life per county." This would total 254 lives or approximately 10 per cent of last year's traffic death toll.

Anti-Ad Ban Upheld.—A new law prohibiting price advertising of eye glasses is constitutional, says the Texas Supreme Court.

Passed by the last Legislature, the law says "ophthalmic dispensers" (which the court says means optometrists, too) may not mention "bait, discounts, premiums, prices, gifts" in their ads.

It landed in the courts when one group of optometrists (Texas State Optical) brought suit to prevent another group (Lee Optical) from advertising prices. Defendants said the law was invalid because its caption did not specifically mention the things the law covered.

But the high court ruled the caption was clear enough.

The bill as originally introduced made no reference to price advertising. The portion pertaining thereto was inserted in committee without there being any change in the caption.

Opponents of the bill charged "trickery." They argued that this was just another attempt to raise

More Are Entering Service Now Than Being Released

An estimated 12 from Jones County entered the armed forces during March, exceeding the number estimated as having been discharged or relieved from active duty during the month.

Number of Texans going into the armed forces in March exceeded the number being discharged or relieved from active duty, Colonel Morris S. Schwartz, state selective service director, reported Friday.

"This is the first time this situation has prevailed for a 30-day period since July, 1957," Colonel Schwartz said. "Separations have exceeded entries in the months from August, 1957, through February, 1958."

Reports from all services in March to the state director of selective service showed 2,887 Texans as being separated from active duty status. During the same period, 3,087 Texans entered the armed forces, which includes the Army, Navy, Marine Corps, Air Force and Coast Guard.

Of the 3,087 individuals who were reported as donning uniforms in March, 2,398 entered by enlistment. The remaining 689 went into service through the state's 137 draft boards.

Not included in this figure are three men who were inducted into the Army and Marine Corps for failure to perform reserve obligations in their units in conformity with existing law and regulation. During the month of March, state draft boards sent a total of 2,024 draft age men to Department of Defense examining stations in Texas and Louisiana for pre-induction examinations.

Of this number 1,214 were declared acceptable for Army service by official examiners. The remaining 810 were declared unacceptable.

Draft age men deemed available for service by local boards are given both physical and mental tests prior to induction procedure and returned to their homes.

KERRY DRAKE

the price of glasses by prohibiting the publicizing of prices.

Up the Ladder.—One plan to up-grade higher education in Texas has official approval of the Commission on Higher Education. Others are under study.

Commission approved a request from the University of Texas to divert \$1,000,000 from its available fund, ordinarily used for buildings, to a research program. Noting that the university needs "brains as well as bricks," President Logan Wilson said the money would be used to attract and hold outstanding research personnel

and provide them with equipment and books.

Still under consideration by the commission are:

(1) Texas Technological College's request for graduate engineering study. Tech's engineering department is a sort of "strong back and weak mind" program, said President E. N. Jones, with 2,700 students and no upper level study to attract top-notch teachers.

(2) Texas A. & M.'s touchy problem of whether to admit women.

(3) A proposal to concentrate graduate study in home economics

at the two state colleges at Denton, curtailing home ec study at the University of Texas. Commission voted to re-study after hearing UT exes' protests.

Come to the Fair.—Texas Fine Arts Association is inviting all Texans with any sort of artistic bent to bring their handwork to the Fiesta of Arts and Crafts on May 9 to 11 in Austin.

Artists and craftsmen from over the Southwest will be showing and selling their works from booths scattered over the grounds of Laguna Gloria, TFAA's picturesque

headquarters overlooking Lake Austin.

TFAA spokesmen said they particularly wanted to encourage exhibits from small town groups, such as hooked rug clubs and church needlework groups. Booths may be rented for nominal fees. Applications should be made at once by writing Mrs. Willie Burk, P. O. Box 5023, Austin.

Designed to create the atmosphere of an Old World fair, the fiesta will have strolling musicians, singing gondoliers, boat rides, a Mexican market, Siamese gardens, puppet show, fish pond,

and, of course, a serious art exhibit.

Judge Greenhill Files.—Judge Joe Greenhill of Travis County, who was named to the Supreme Court last fall by Governor Daniel to succeed the late Judge Few Brewster, has filed for election to the office. Judge Greenhill, who has had 20 years of trial and appellate court experience, says he will campaign actively in every county in the state between now and the July 28 primary.

GENE SPURGIN JR.
ROY THORN
W. C. THOMPSON

FISHER COUNTY:

For Commissioner, Precinct 2:
JERRY CROWLEY

For County Judge:
BRUCE MCCAIN

DOWN MEMORY LANE.

"Corn failure?" asked the old gentleman. "Yes, I've seen some in my time. I remember back in '97 the corn crop was almost nothing. We cooked some for dinner one day, and my old pappy ate 17 acres of corn at one sitting!"

Robert Patterson Of Snyder Enters State Senate Race

Robert R. Patterson, State Representative from Snyder announced today (Thursday) he will seek the Democratic Nomination for State Senator of the 24th Senatorial District.

Patterson, 46, and a lawyer, has served two terms in the House of Representatives from the 90th Legislative District, composed of Scurry, Borden, Garza, Kent and Crosby Counties. He was chairman of the delegation of the 24th Senatorial District at the Demo-

cratic convention in Fort Worth in 1956.

The incumbent State Senator is David Ratliff of Stamford who was elected in a special election following the death of Harley Sadler.

In making his announcement the candidate for the upper house of the State Legislature said he would make an on-the-ground

Rev. Robb Preaching In Revival at Gruver

Rev. Edmund W. Robb, pastor of the First Methodist Church in Hamlin, left Sunday for Gruver, where he is doing the preaching in an eight-day revival meeting at the Gruver Methodist Church.

Dr. S. B. Thompson, dean of men at McMurry College in Abilene, will fill the pulpit at the Hamlin church Sunday morning. Ronnie Parker, Hamlin ministerial student at McMurry, will preach Sunday evening.

person-to-person campaign from now until election day.

"Based on my experience in the Capital during the two regular sessions and two special sessions of the Legislature, I am convinced that the best interest of the people of West Texas will be served by a change in this office. During the course of this campaign I will submit to substantiate my opinion" the candidate said.

Patterson was born at Rotan, August 18, 1911, the son of Mrs. R. R. Patterson and the late R. R. Patterson, a pioneer family which settled in Fisher County in 1907. He attended the public schools in Rotan, Texas Tech, the University of Texas and graduated with the LL.B. Degree from Cumberland University. Licensed to practice law in 1939 Patterson opened a law office in Snyder. During World War II Patterson was in the Navy aboard a destroyer operating in the Atlantic and Pacific.

Prior to his first term in the House of Representatives in 1955, Patterson had served as Special County Judge of Scurry County during the height of the oil boom there and as City Judge of Snyder.

The 24th Senatorial District of the State Legislature is composed of: Dickens, Garza, Kent, Stonewall, Borden, Scurry, Fisher, Jones, Shackelford, Howard, Mitchell, Nolan and Taylor Counties.

CHILD'S DARK HOUR—Blaze, a four-year-old Springer Spaniel, is comforted by Jackie Dunson, 12, in Dallas, after being hit by a car. Blaze's young master, Daniel Steven Dunson, 8, the girl's brother, was hit by another car when he went to aid his pet. Daniel was treated for bruises at a Dallas hospital. Blaze died at a veterinarian's office. Jackie and Daniel are the children of Mr. and Mrs. Jack Dunson of Dallas.

Hamlin Band Will Compete in Area Tests at McMurry

McMurry College will be host next week to 38 high school and 10 junior high school bands in a University Interscholastic League Regional II band and orchestra concert and sight reading contest. The three-day contest will be held Thursday and end Saturday.

Three junior high school aggregations from Abilene, South, North and Lincoln, are entered along with Robert E. Lee and Thomas A. Edison of San Angelo. Others include Reagan Junior High from Sweetwater and Ranger, Colorado City, Snyder and Dublin.

Among the 38 high school entries are San Angelo, Brownwood, Abilene, Sweetwater, Snyder, De Leon, Brady, Dublin, Ranger, Eastland, Haskell, Coleman, Cisco, Winters, Anson, Stamford, Hamlin, Merkel, Albany, Roscoe, Roby, Cross Plains, Rotan, Santa Anna.

Others are Throckmorton, Menard, Goldthwaite, Mason, Junction, Sonora, Ozona, Jayton, Gorman, Robert Lee, Rochester, Lorraine, Baird and Trent.

Only Abilene and San Angelo High School Bands are listed in Class 4-A competition, while Snyder and Sweetwater are the only 3-A entries.

A field of 12 bands will be competing in Class 2-A, including Brady, Dublin, De Leon, Ranger, Eastland, Haskell, Coleman, Cisco, Winters, Anson, Stamford and Hamlin. Class 1-A entries are Merkel, Albany, Roscoe, Roby, Cross Plains, Rotan, Santa Anna, Throckmorton, Menard, Goldthwaite, Mason, Junction, Sonora and Ozona. All others are in Class B.

Judges will include Weldon Covington and Frank Phillips, both of Austin; Carrell McMath of Denton; and Joe Bellamah of Alpine, in band competition. The orchestra judging panel will be Eric Sorantin of San Antonio, Dean Lowman of Commerce, Alan Richardson of Denton and Albert Gillis of Austin.

The meet not only will include band and orchestra competition, but also student conducting, sight reading and solo and ensemble performances.

DIAPER TONGS HANDY.

A new aid for busy mothers are plastic tongs that come in handy to relieve diaper drudgery. The tongs hold, dip, squeeze and wring out diapers and training pants without a touch of your hand to the soiled cloth. The tongs are molded of one piece of plastic.

NEW SEAT FOR JUNIOR.

A new folding portable child's toilet seat folds into a 16-inch-square package, easily slipped into a glove compartment or mom's handbag. The seat, in pink or blue plastic, comes in a plastic envelope, specially styled for gifts. It may be washed easily in hot, soapy water.

Law Day Proclaimed By Hamlin Mayor as Part of Observance

Individual freedom under law is the birthright of all Americans. Laws and courts exist to protect every citizen, in his person and property, and in the individual rights and privileges he enjoys under our federal and state constitutions.

It is this liberty and equality for the individual which distinguishes our system of government from communism, under which millions of people are today living in slavery. Without laws and courts the freedoms we often take for granted would be meaningless.

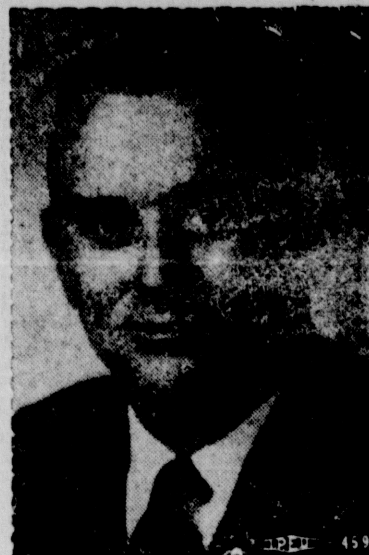

This important truth is to be recognized public in a nation-wide observance of Law Day—U. S. A. to be held on May 1. The citizens of Hamlin have been invited to participate. The observance will consist of special program sponsored by various organizations and groups, and by the schools. Their purpose will be to focus public attention on the important part that law has played in America's growth and achievement.

Law Day—U. S. A. is to be the first national celebration of its kind ever held. The recent status of world affairs makes it especially fitting that our people should at this time reaffirm their faith in the rule of law and their determination to strengthen it. This is both a timely and patriotic observance emphasizing respect for law and good citizenship. It merits the support and cooperation of individuals, organizations and schools.

Now, therefore, I, A. Spencer, mayor pro-tem of Hamlin, do hereby proclaim Thursday, May 1, 1958, as Law Day—U. S. A. in Hamlin and call upon all citizens, organizations and schools to recognize this special day and to join in its observance.

ALL HIS FAULT.

There was once a young man who told his lady love that he had never seen such dreamy eyes . . . and was left slightly disconcerted when she remarked tartly: "But you've never stayed so late before!"

ANNOUNCES—Travis County Judge Greenhill announced this week for his first elective term as associate justice of the Supreme Court of Texas. Greenhill was appointed to the state's highest civil court last fall after 20 years of varied trial and appellate courts experience.

Freight Carloadings For Santa Fe Climb

Freight carloadings for the Santa Fe Railway System for the week ending March 29, 1958, were 21,808 compared with 21,184 for the same week a year ago, reflecting a gain over the year-ago figure. Cars received from connections totaled 10,296 compared with 12,046 for the same week in 1957.

Total cars moved were 32,104 compared with 33,230 for the same week a year ago. Santa Fe handled a total of 30,205 cars in the preceding week this year.

May Oil Allowable Continued at Eight Days for Production

Further cuts in oil production for wells of Texas ordered last week-end by the Texas Railroad Commission brought no jubilation from land owners and royalty owners of the Hamlin territory.

The commission set the statewide May oil allowable at 2,394,537 barrels a day, a cut of 42,537 barrels daily from April.

The commission retained its eight-day production pattern that is the same for this month, and the allowable decrease results from the calendar day differential.

Major oil companies generally asked for more oil than the commission was ready to have produced. Independents generally urged the retention of the present production schedule.

Independent operators told the commission, meeting in Austin, that effects of the recent low allowables were just now being felt through the industry and that crude and products stocks have been reduced.

The great Chicago fire occurred in 1871, leaving homeless all but about 7,000 of a population of 77,000.

Reduction in Number Of Texas Motorcides Recorded Last Year

Texas Department of Public Safety this week announced a three per cent reduction in motorcides for 1957 in comparison with 1956.

In a preliminary release of statistics on traffic accidents and traffic deaths for last year, Colonel Homer Garrison Jr., director of the Texas DPS, said the Texas death rate was reduced from 6.5 deaths per 100,000,000 miles in 1956 to 6.0 motorcides per 100,000,000 miles of driving in 1957. Actual count of deaths was 72 less than a year ago.

Texas had 2,539 motorcides in 1957, while in 1956 a total of 2,611 persons were killed.

Garrison said the reduction in traffic deaths was recorded in spite of increased driving on our streets and highways. He said Texas motorists drove "six per cent more miles last year, in comparison with 1956, for an estimated total of 42,500,000,000 vehicle miles. This is the greatest driving mileage in our history."

Eighth Grade Math Students Complete Six-Week Unit with Practical Lessons

Math students in the eighth grade of Hamlin Junior High School have completed a profitable six-week unit on "Spending Money Wisely." During the study of stretching the dollar, students have learned the cost of borrowing money, types of insurance to secure adequate protection against loss from the numerous hazards of life, the wise buying of merchandise so as to get good values as regards both quantity and quality.

In this unit of study an attempt was made to apply mathematics to daily living, to utilize outside consultants when possible, and to gain an insight into the use of mathematics in our community.

Early in the six-week period Wesley Nail of Turner-Nail Insurance Agency, talked to the students regarding various kinds of life insurance, fire and theft protection. Then Mrs. Everett Gib-

son, Hamlin Junior High mathematics teacher, presided over a question and answer session. Nail answered questions asked by the enthused students.

After the students had studied the coinage of our money, they were ready for the culminating activity, which was a tour through the local bank, on Wednesday, April 16. W. T. Johnson, vice president, welcomed the three groups and personally conducted them through the bank.

Johnson explained the various phases of depositing and borrowing money, and bookkeeping involved in the banking business. Of course, the pupils were delighted to see in operation the IBM machine, which is of major importance to the bookkeeping department of the bank. Their supreme moment came when Johnson took all of them inside the vault to view the microfilming of checks, the sacks of silver and stacks of currency.

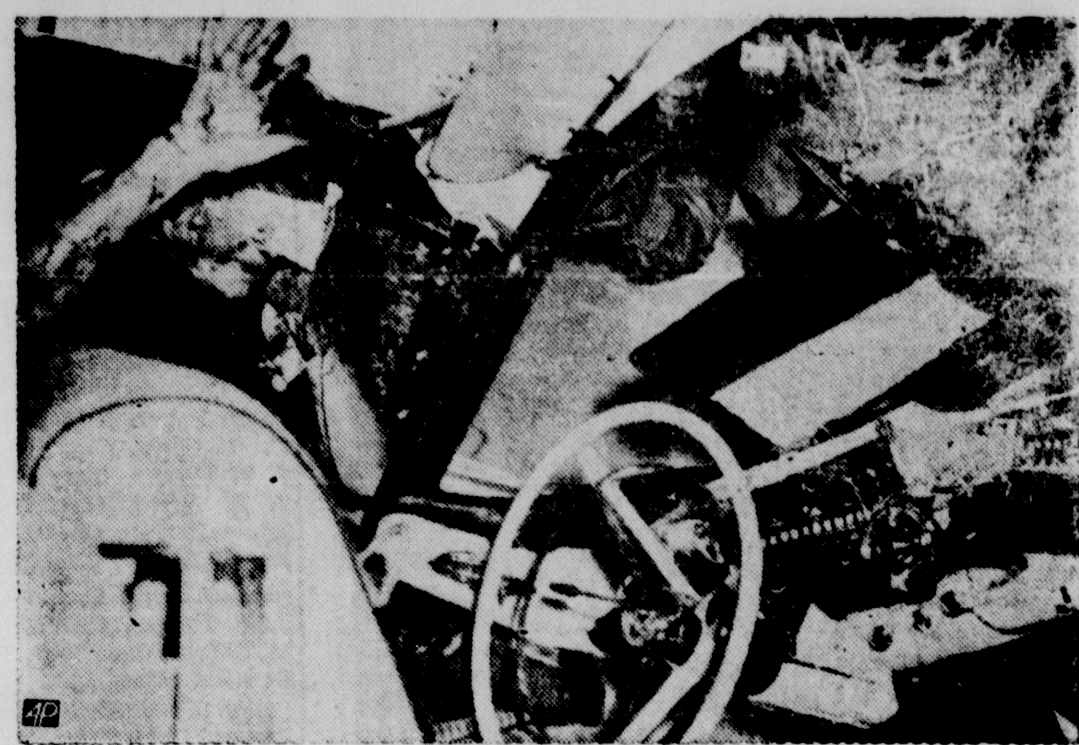

Tate May, president of the bank, invited the 8-A students into his office and gave them a talk on "How to Establish and Maintain a Good Credit Rating." He stressed the necessity of developing a strong character and keeping a good reputation. Also he told the students to begin early in life to save part of each dollar they earned in order to have financial security to carry out worthwhile projects when they become adults.

The students left the bank with a feeling of gratitude to the school administrators and bank executives for allowing them to enjoy first hand learning experiences.

Mrs. J. W. McCrary Sets Recital by Pupils

Mrs. J. W. McCrary will present her music pupils in recital next Thursday evening, May 1, at the Hamlin High School auditorium, she announces this week.

Students in both piano and accordion, representing all age groups, will be presented. The program is scheduled for 8:00 o'clock, and the public is invited.

TRAPPED IN CAR—Mrs. A. Frank Greenhall, 51, of Dallas is shown trapped in her car after she lost control of the vehicle and slid into the side of an oil company building in Dallas. She was trapped in the car for about 20 minutes by her leg caught behind the steering wheel before she was freed from the wreckage by electric cutting equipment. Mrs. Greenhall was taken to a local hospital in serious condition.

HAMLIN MEMORIAL HOSPITAL

Patients admitted to the Hamlin Memorial Hospital since last week's report in the Herald included the following: Mrs. Bill Ethredge, Snyder, ob April 13; Mrs. V. R. Bond, surgery, April 14; Mrs. J. L. Weaver, medical, April 14; Thomas Hart, Aspermont, medical, April 14; Randy Crouch, medical, April 14; Janice Miller, medical, April 14; Mrs. B. Hart, Aspermont, medical, April 15; Mrs. Vesta Townley, surgery, April 15; Mrs. Kenneth Scott, medical, April 16; Mrs. Myrtle Robbins, Aspermont, medical, April 16; Mrs. T. J. Davis, medical, April 16; Bill Maddox Jr., medical, April 16; Mrs. Grady Smith, surgery, April 17; Mrs. B. E. Keeth, Aspermont, medical, April 17; Gus Travis, medical, April 17; Bill Curtis Watkins, surgery, April 18; Mrs. W. A. Day, L. V. Perry, medical, April 18; Mrs. Billy Deel, medical, April 17; Mrs. H. L. Neal, medical, April 19; Ricki Jenkins Sweetwater, medical, April 19.

Narrow Row Planting Of Sorghums Raises Demonstration Yield

Narrow row planting of dry grain sorghum to increase yield has created some interest in this area among grain sorghum growers, according to an announcement this week by County Agent Kirby Clayton.

To evaluate this practice, an experiment was run on the Southwestern Great Plains field station at Bushland in 1957. RS-160 was planted in 20-40 inch rows with seeding rates equivalent to 2-4 pounds per acre in each row width. Results show that row spacing had no measurable effects on yield. Two pounds per acre seed rate yielded more grain and 11 per cent more dry matter than the four-pound seeding rate in both the 20 and 40-inch rows.

Test weight of the grain was not materially affected by rate or row spacing. Lodging of the crop was higher when planted in 20-inch rows and at the rate of four pounds.

Detailed information on this experiment is available in the county agent's office.

Patients dismissed since the last report included the following: Mrs. J. B. Suggs, April 14; Mrs. L. B. Baker, April 14; Mrs. Roy Carmichael, April 14; J. J. Handley, April 15; M. P. Lott, April 15; Mrs. M. T. Hudson, April 15; Mrs. T. C. Gregory, April 17; Mrs. W. R. Perryman, April 17; Bob Haynes, April 16; Miss Minnie Hayes, April 16; Lillie Sue Austin, April 14; Mrs. Leona Buckley, April 15; Sandra Criswell, April 15; Earl Smith, April 13; Kathie Cumble, April 14; Mrs. Thomas Cumble, April 14; Mrs. James Brown, April 17; E. W. Boatright, April 15; Mrs. Bill Ethredge, April 17; Thomas Hart, April 18; Randy Crouch, April 18; Janice Miller, April 19; Mrs. Roy B. Hart, April 19; Mrs. Vesta Townley, April 18; Mrs. Kenneth Scott, April 18; Mrs. Myrtle Robbins, April 20; Gus Travis, April 20; L. V. Perry, April 20; Mrs. Billy Deel, April 17.

Westbrook's Paper on Oil Gets Second Place

Reed Westbrook of Hamlin won second place in the undergraduate division in the district American Institute of Mining and Metallurgical engineers, petroleum engineers division student paper contest held at the University of Oklahoma recently, according to a release from Norman, Oklahoma. The contest is sponsored by the petroleum engineers section of AIME. Represented were Missouri School of Mines, University of Kansas, University of Tulsa, Oklahoma State University and the University of Oklahoma.

Westbrook is the son of Mr. and Mrs. W. C. Westbrook of 44 North-west Avenue C. He is a senior at OU and is majoring in petroleum engineering.

Government Aided Projects Designed To Help Unemployment Says Senator

More people are out of work in the United States than at any time since 1941, reminds U. S. Senator Lyndon B. Johnson, in his weekly news letter to The Herald.

We do not need to be panicky about this situation. But we certainly cannot afford to be complacent. So far as Congress is concerned, I see no indication of either panic or complacency.

Instead, there is sober concern combined with a determination to continue to take sound and prudent action to turn the economy upward again by providing needed jobs that will restore the buying power of those now unemployed and by strengthening the confidence of the millions who still have jobs.

Action and accomplishment marked this session of Congress up to the Easter recess. I believe that will be true also of the latter half of the session.

Some legislation still to be considered is of particular interest to Texans. Included is the matter of getting adequate conservation, navigation and reclamation projects in our state.

The future of Texas depends upon an almost absolute degree upon how effectively we develop and control and conserve our water resources. Much has been accomplished along this line. A very great deal remains to be done.

Fifteen Texas projects are included in the president's budget for the water development and flood control functions of the Corps of Army Engineers.

A bill authorizing other projects to be constructed in the future was passed by the Senate and sent to the white house shortly before Easter. Several of the projects are in Texas. I hope the president will not veto this bill as he did similar legislation in

DePriest School Sets Play Friday Evening

"One Minute to Twelve" is the title of the three-act play that will be presented tomorrow (Friday) evening by students of the DePriest Colored School in Hamlin.

Rehearsals indicate that a good story will be presented by the big cast of character. Admission for the play will be 25 cents for children and 35 cents for adults.

Those two facts constitute sound reasons for immediately speeding up work in the field of water and land development and conservation.

PROCLAMATION

SPRING CLEAN-UP WEEK

APRIL 28 THROUGH MAY 3, 1968

Whereas, cleanliness and good housekeeping protect the health and welfare of our city; and

Whereas, the destruction of human life and property is caused by disease, fire and filth; and

Whereas, it is the responsibility of every man, woman and child to assist in the protection and happiness of our community;

Now, therefore, the City Council of the City of Hamlin, Texas, does hereby proclaim the week of April 28 to May 3, 1958, inclusive as SPRING CLEAN-UP WEEK and respectfully urges the cooperation of our entire citizenship.

A. SPENCER, Mayor Pro-Tem.

A City Ordinance Regulating Transportation, Handling and Storage of Gasoline

An ordinance amending the ordinance passed and approved by the City Commission of the City of Hamlin, Texas, on the 15th day of April 1952, regulating the transportation, handling and storage of gasoline and other volatiles within the city limits of Hamlin, Texas.

Be it ordained by the City Commission of Hamlin, Texas:

Section I
(1) It shall be unlawful for any person or persons, firm or corporations, to transport, keep, store or handle gasoline or other volatiles in any city except upon compliance with the following provisions:

(b) Trucks used for transporting gasoline or other volatiles must carry tanks of at least 12-gauge galvanized steel, or at least one-fourth inch black open hearth tank steel, and said tanks must be equipped with outlet faucets of the anti-drip approved and self-closing type. Said tanks and equipment must bear the label of approval of the National Board of Fire Underwriters.

(c) That the provisions of the foregoing section shall not apply to any person, firm, association or corporation transporting gasoline or other volatile inflammable oil through the corporate limits of the City of Hamlin, Texas, in the normal course of business, and not for the purpose of unloading the same at a retail establishment within such corporate limits.

(d) Subject to the provisions of sub-division (e) thereof, all tanks at all filling stations shall be installed outside of the building underground and not less than two feet below the surface, entirely surrounded by earth well tamped in place, and top of the tank must be below the level of the lowest pipeline in the building used in connection with the equipment.

(e) If impractical to locate storage tanks outside of the building at filling station, they may be buried two feet below the level of the cement floor imbedded in the earth, and covered by at least two feet of earth and concrete.

(f) Filler pipe must be made of galvanized iron pipe two inches or more in diameter, entering at the top of the tank and extending to the bottom of the same. The upper end of said pipe must terminate in a screw cap securely locked. Where tanks are located under the building the filler pipe must run to the outside of the building and terminate in a screw cap securely locked and protected by a cast iron filler box, the same to be flush with the sidewalk or alley. The cover of the said filler box to be securely locked.

Section II
All gasoline must be drawn from tank by means of an improved suction pump or pumps which shall have a shut-off valve with ground key on the nozzle. In no case shall there be a return of waste pipe to the tank.

Section III
Where gasoline is pumped inside the building, lighting shall be

done by incandescent electric lights with all electric switches and cut-offs permanently located at least 12 inches above the floor.

Section IV
(a) No gasoline or other volatiles shall be kept in any building except when stored or handled in self-closing safety containers or in portable filling tanks.

(b) When self-closing safety containers are used for the handling or hauling of gasoline or other volatiles, not more than five gallons of gasoline or other volatiles shall be kept in any building and the self-closing containers must be of metal, or must be of approved construction, and must be of a capacity not to exceed five gallons.

Section V
(a) No person shall build or set up any tank, either at a filling station in or at a wholesale station for storage or sale of gasoline or other volatiles, without first having obtained a permit therefor from the City Commission upon the approval of the Fire Marshal, and building inspector as to the place and manner of construction.

(b) It shall be unlawful for any person to smoke in any room in which gasoline or other volatiles are kept and for the manager or other person in charge of any building in which gasoline or other volatiles are kept to allow smoking therein, and notices to this effect shall be prominently displayed.

Section VII
Any person, firm or corporation who violates any of the provisions of this ordinance shall be guilty of a misdemeanor, and upon conviction thereof in the Corporation Court of the City of Hamlin, shall be fined in any sum not less than \$25.00 nor more than \$100.00 and each day any person, firm or corporation violates the provisions of this ordinance shall constitute a separate offense.

Section IX
This ordinance shall take effect and be in force from and after its passage and publication.

Section X
The City Commission of the City of Hamlin is of the opinion and finds that the provisions of this ordinance are necessary to protect property and persons in the city limits of the City of Hamlin, Texas, and the danger that arose from the improper handling of these substances creates an emergency, and an imperative public necessity that proper regulation requiring a reading of this ordinance at more than one meeting of the City Commission of the City of Hamlin, in view of such emergency is hereby suspended.

Passed and approved by the City Commission of the City of Hamlin, Texas, on this 17th day of September, A. D. 1957.—O. D. Roland, Mayor. Attest: Mrs. H. M. Barrow, City Secretary.

TELEPHONE TALK

First Aid Classes Being Taught

E. W. (Andy) Anderson, line chief for the Hamlin office of Southwestern Bell Telephone Company, is doing a good service for his community, we believe. He is conducting a First Aid course for members of the Volunteer Fire Department. We hope the pointers he is able to pass on to the men of the Fire Department will prove of value for this worthy group of men who work so faithfully to protect Hamlin community property and otherwise serve their community.

Andy later on will teach a class in First Aid for employees of the telephone company.

Spring House Cleaning

Is spring house cleaning under way at your home? And are you planning to do a little redecorating, too? I have a suggestion that will help add a little color to your home whether you're cleaning or redecorating. It is this: Put some color telephones in your home.

We now have nine attractive colors plus black. The colors are: White, cherry red, pastel yellow, ivory, moss green, rose pink, aqua blue, light beige and light grey.

From this variety you can choose one or several to blend or contrast with any colors in your home.

Color extension telephones are practical, too. You'll be surprised at the steps they save: No more running from one end of the house to the other to answer. And, an extension telephone will give you more privacy on calls.

Color extension telephones are economical, too. Here in Hamlin they cost only \$10.00 (one-time charge) plus a small installation charge. The monthly extension charge is only \$1.00 a month.

Going Somewhere?

Some people I know have started planning their vacations because they know planning ahead can make a vacation more fun.

They've found, too, that calling ahead makes a vacation even more fun. No worry about whether you'll find accommodations. No guessing as to whether the people you want to visit are home. Calling ahead on your vacation trip or on any trip makes it more fun, gives you more peace of mind.

And, don't forget that the people at home like to hear from you, too. A telephone call is a personal, easy way to keep in touch.

Next time, call. Take the worries out of travel.

Call by number. It's twice as fast.

SOUTHWESTERN BELL TELEPHONE COMPANY

Hamlin Junior High School Athletes Push Favored Anson for Area Honors

Hamlin Junior High School athletes last Saturday made a better showing than was anticipated in the five-school conference track and field meet held at Anson. The Hamlin lads were close behind favored Anson tracksters, scoring 44½ points to Anson's 46.

Other schools rated in the five-way meet were: Rotan, 21½; Merkel, 17½; and Albany, 12½.

Babe Shields was Hamlin's outstanding athlete as he won the high jump, broad jump and ran legs on the winning relay teams.

Phillip Rasor of Anson scored 23 of Anson's 46 points. He won the 50, 75 and 100-yard dashes, discus and placed third in the shot put.

Goodrum of Rotan scored 16½ of his team's 21 points. He was second in the 50 and 75-yard dashes, discus, high jump, and fourth in shot put.

The complete results of the meet follow:

50-Yard Dash—Rasor of Anson, first, with time of 6.0 seconds; Goodrum of Rotan, second; Jimmy Cooper of Hamlin, third; Wade of Merkel, fourth; Tucker of Albany, fifth.

75-Yard Dash—Rasor of Anson, first, with time of 8.45 seconds; Goodrum of Rotan, second; Jones of Albany and Teague of Anson tied for third; Frankie Lee of Hamlin, fifth.

100-Yard Dash—Rasor of Anson, first, with time of 10.75 seconds; Frankie Lee of Hamlin, second; Teague of Anson, third; Stovall of Hamlin, fourth; Tucker of Albany, fifth.

200-Yard Football Shuttle—Hamlin (Jesse Mendoza, Johnny Stovall, Stanley Austin and Babe Shields) first; Anson, second; Rotan, third; Albany, fourth; Merkel, fifth.

440-Yard Relay—Hamlin (Babe Shields, Rayford Williams, Frankie Lee and Jimmy Cooper), first with time of 50.7 seconds for a new conference record; Anson, second; Albany, third; Merkel, fourth; Rotan, fifth. Old record of 52.7

seconds was set by Anson team in 1957.

Chinning—McIntyre of Anson 32 times; Jones of Albany, second, 31; Caboun of Anson, 30; Higgins of Merkel, fourth, 23; Gilmer of Merkel, fifth, 20.

High Jump—Babe Shields of Hamlin, first with jump of five feet one-fourth inch; Sledge of Merkel, Stanley Alexander of Hamlin, Goodrum of Rotan and Trice of Anson tied for second.

Broad Jump—Babe Shields of Hamlin, first with jump of 17 feet one inch; Wade of Merkel, second; Thomas of Rotan, third; Johnny Stovall of Hamlin, fourth with jump of 16 feet 11 inches; Teague of Anson, fifth.

Discus—Rasor of Anson, first with throw of 120 feet 3 inches; Woodrum of Rotan, second; Frankie Lee of Hamlin, third; Stanley Austin of Hamlin, fourth; Stapp of Albany, fifth.

Shot Put—Babe of Merkel, first with throw of 43 feet eight inches; Frankie Lee of Hamlin, second with throw of 43 feet 1½ inches; Rasor of Anson, third; Goodrum of Rotan, fourth; Robert Woodluff of Hamlin, fifth.

Mrs. W. A. Nobles, Former Resident, Dies At Corpus Christi

Mrs. W. A. Nobles, former resident of Hamlin, passed away at the home of a son, W. A. Nobles Jr., at Corpus Christi, where she has been living.

Funeral services are scheduled this (Thursday) afternoon at Pecos. Several Hamlin area people plan to attend the final rites.

Mrs. Nobles is survived by two sons, W. A. Nobles Jr. and Mahlon Nobles, both of Corpus Christi; and three daughters, Mrs. Ernest Schrimshire of Pecos, Mrs. Homer Rountree of California and Mrs. William Key of Paris, Texas.

Society is a masked ball, where everyone has his real character and reveals it by hiding—Emerson.

Demonstration in Rat Control Slated In Section Today

There will be a rat control demonstration field day in Jones County today, (Thursday), according to an announcement this week by County Agent Kirby Clayton. There will be two rat control demonstrations, one at 9:30 at the Floyd Moore farm in the Funston community, and one at 2:30 p. m. on the John R. Brown Jr. farm in the Neinda community.

Poison rat bait will be available to all farmers of the county at these demonstrations, and no one can obtain federal rat bait without attending these demonstrations.

Rats continue to cause considerable damage over the county, both to crops and to farm and city property, and this is the last chance for Jones County farmers to get in on the federal rat control program.

Rats actually equal twice the number of people on farms and are equal to the number of people in towns. Over the United States the rat population equals 50,000,000—3,000,000 in towns and 20,000,000 in cities. Each rat eats 40 pounds of food yearly at a cost of \$3; they contaminate other food worth \$6; and property damage per rat equals \$1 plus cost from diseases and other losses. Rats cost the citizens of the United States over \$1,000,000,000 annually in loss of food, crops, property and other damage.

All farmers in Jones County who are bothered with this pest are urged to attend one of these demonstrations April 24 and join in the county rat eradication campaign.

This campaign is being sponsored jointly by the county extension service and the Jones County Farm Bureau.

EVERYBODY HELPS.

"Just what good have you done for humanity?" asked the judge before passing sentence on the pick-pocket.

"Well," replied the confirmed criminal, "I've kept three or four detectives working regularly."

CAR PLUNGES INTO BAYOU—This car went out of control on a bridge near Loeb and plunged into the water below. The driver escaped but two women passengers in the back seat were drowned. The driver was Mrs. Herman Baisdale of Silsbee and the dead are Mrs. Ethel Parker and her daughter, Mrs. Bessie Metcalf, both of Silsbee.

Hamlin Woman Gets Gifts for Dystrophy

Mrs. J. F. Bobeen, campaign chairman for the Texas Veterans of Foreign Wars Auxiliary for the muscular dystrophy drive, has reported she collected more than \$600 for the Dystrophy Hospital at Liberty.

Cannisters were used by various auxiliaries over the state for the donations. Formal reports will be made at the state auxiliary convention at Beaumont, June 20 to 22, which the Hamlin woman plans to attend.

JUST A LITTLE PIECE.

And then there's the Texas yarn about the woman who called her husband and asked:

"Will you get the car out, Tex, and drive the kids to the back yard so they can play?"

More Openings for Highway Patrolmen Available in Texas

Texas Highway Patrol Sergeant Roger W. Sosebee of Abilene announced this week that examinations will be given next month for positions with the Texas Department of Public Safety.

Young Texans interested in a career in law enforcement may compete in state-wide examinations for the positions of highway patrolmen, driver license patrolmen, license and weight patrolmen and motor vehicle inspection patrolmen. May 10 is the deadline for submitting applications to the department headquarters in Austin.

"Job security, paid vacations, sick leave and retirement are only a few of the benefits you will enjoy as a state law enforcement officer. Any young man between 21 and 35, a high school graduate and in good physical condition can contact me at the District Office, 2064 Butternut Street, Abilene, for an application," Sergeant Sosebee said.

JUST BOUNCING.

A rodeo performer from Montana visiting in Texas was invited to test one of the local broncos. He hadn't been on the horse a full second before he found himself flying through the air.

"Man," he panted, "these Texas horses sure can buck."

"He didn't buck," commented a local cow hand. "That cayuse was merely hiccuping."

Morgan, Class 61; Mrs. Edgar Duncan, Class 62; Mrs. L. E. Prewitt, Class 63.

Second place red ribbons went to Mrs. Harold Bonner, Class 1; Mrs. R. D. Moore, Class 3; Mrs. Harold Bonner, Class 7-B; Mrs. Edmund Robb, Class 8-A; Mrs. Edgar Duncan, Class 9; Mrs. Edmund Robb, Class 25; Mrs. J. P. Morgan, Class 26; Mrs. C. C. Prater, Class 28; Mrs. C. F. Cook, Class 30; Mrs. Harold Bonner, Class 31; Mrs. Harold Bonner, Class 40; Mrs. Harold Bonner, Class 44; Mrs. Eddie Jay, Class 47; Mrs. Clyde Grace, Class 48; Mrs. Harold Bonner, Class 52; Mrs. Eddie Jay, Class 56; Mrs. Charles Lovell, Class 58-A; Mrs. Roy Carmichael, Class 58-C; Mrs. C. C. Prater, Class 60-A; Mrs. Harold Bonner, Class 60-B; Mrs. Fred Carpenter, Class 61.

Third place yellow ribbons went to Mrs. J. P. Morgan, Class 8-A; Mrs. L. E. Prewitt, Class 9; Mrs. Edgar Duncan, Class 26; Mrs. C. F. Cook, Class 33; Mrs. L. E.

Prewitt, Class 56; Mrs. R. D. Moore, Class 57; Mrs. P. A. Fowler, Class 58-C; Mrs. Vera Nobles; Mrs. J. P. Morgan, Class 60-A.

Honorable mention white ribbon went to Mrs. Harold Bonner, Class 26.

In the junior division first place blue ribbons went to: Connie Jo Duncan, Class 64-A; Mary Lois Patterson, Class 64-A; Christy Wallace, Class 64-A; Alice Lovell, Class 67. Second place red ribbon went to: Rose Lovell, Class 68.

In the invitation division blue ribbons went to: Bina Rountree, Class M-A; Mrs. O. L. Jenkins, Class M-B. Red ribbon went to Mrs. Elmer Joiner, Class M-B. Yellow ribbon went to Mrs. O. L. Jenkins, Class M-B; honorable mention white ribbon went to Mrs. L. A. Hewitt, Class L.

Milk Producers Get \$5.78 for March Sales

Minimum uniform base price to be paid for 4 per cent base milk received by Central West Texas handlers from producers during March will be \$5.78 per 100, according to announcement by Byford W. Bain, market administrator. A number of producers south of Hamlin are in the group.

Daily Class I sales by Central West Texas handlers during March, 1958, were 4.42 per cent less than during February but were 2.38 per cent more than the daily Class I sales during March, 1957.

VISIT FROM FORT WORTH.

Dr. and Mrs. W. B. Glass of Seminary Hill, Fort Worth, visited with his sister, Mrs. Etta Stephenson, and the Virgil Steeles last week.

IT FIGURES.

Three-year-old Sue was helping her daddy at his work bench in the basement. Finally he tired of her incessant chatter and questions and he asked her to be quiet for a little while.

"I don't have to be quiet," she stated importantly. "After all I'm a woman."

The Herald has carbon paper.

LONE STAR GAS COMPANY

FOUR HEARSEMEN, famous barbershop quartet from Amarillo that two years ago was rated the best in the nation, appeared on a SPEBSQSA show at Fort Worth the other evening, and they were tops.

Members of the foursome are all connected with the funeralizing business—one is an undertaker, another sells burial insurance, another operates a perpetual care cemetery and the fourth sells undertaking supplies.

Before they sang, they declared that business was mighty bad with them lately.

"There's a firm down at Houston that is getting all the business," the spokesman avowed. "They are cremating bodies awfully cheap. And not only that, they are bottling the ashes and selling them to the cannibals of Africa for instant people."

SAM JOHNSON, writer and diplomat, over a period of years uttered these sage remarks among others...

A man had rather have a hundred lies told of him than one truth which he does not wish to be told.

It is worth a thousand pounds a year to have the habit of looking on the bright side of things.

When speculation has done its worst, two and two still make four.

He is no wise man that will quit a certainty for an uncertainty.

Whoever thinks of going to bed before 12:00 o'clock is a scoundrel.

It is better to suffer wrong than to do it, and happier to be sometimes cheated than not to trust.

Words are the daughters of the earth, and things are the sons of heaven.

Self confidence is the first requisite to great undertakings.

Partisanship is the last refuge of the scoundrel.

If a man does not make new acquaintances as he advances through life he will soon find himself left alone. A man should keep his friendship in constant repair.

The natural flights of the human are not from pleasure to pleasure, but from hope to hope.

Nothing flatters a man as much as the happiness of his wife; he is always proud of himself as the source of it.

HEARD A YARN the other day at Fort Worth about some counterfeiters that were operating up at Decatur, long famous for crap-shooters.

It seems the operatives had produced some beautiful specimens of \$15 bills, but as it came time to pass them they became a little bit dubious. Then one of the fellows suggested that they take a bunch of the bills down into Arkansas for passing.

Sure enough, when they arrived there and went into the first store they asked a man to change a \$15 bill for them.

"Sure, fellow... how'll you have it? Maybe two \$6 and a \$3 would do?"

MANY YEARS AGO some sage said, "To err is human," and all of the animals of humanity are proof of it. If we were incapable of making errors we wouldn't be here on the good old earth; the world is a kindergarten of improvement.

We learn wisdom from failure more frequently than from success, the chemist learns successful compounds only after many experiments; the capacity for profiting from blunders is inseparable from the capacity for achievement.

Exemption from errors is not the privilege of mortals, but when mistakes are involuntary, we owe each other every candid consideration and the successful man in business or in government is he who not only profits from his own errors, but by his example reduces the errors of his associates to a minimum.

The mistakes of the past become the seeds from which grow the wisdom trees of the future.

PERSISTENCE is a splendid characteristic for all of us. A fellow who right now has football on his mind declares:

"Keep plugging: A lot of fellows cross the goal line who were never in scoring position!"

KRUSHCHEV WITH TEXAS PIANIST—Van Cliburne (left), tall Texan who won Soviet Unions' International Tchaikovsky piano contest, gets unsolicited congratulations of Premier and Communist party boss Nikita Krushchev at a reception in Moscow. In background is interpreter, Krushchev remarked about Cliburn's height. The six-foot four-inch pianist said of the premier, "He's a sweet man."

Flower Show Draws Crowds Saturday

Good sized crowds attended the second annual spring Garden Show staged Saturday by the Hamlin Garden Club at the Hamlin High School gymnasium that featured scores of beautiful flower and hobby displays.

The display of flowers was less elaborate than anticipated because of unseasonably cold weather in recent weeks that retarded the blooming of some plants, especially roses, officials of the club stated.

Special awards went to three women during the show. Mrs. L. B. Williams, who recently won the tri-color award, Mrs. LaFoy Patterson won orange and brown awards of distinction. Mrs. M. T. York was presented a brown award of distinction for her bulletin board used at the show.

First awards of blue ribbons went to the following exhibitors: Mrs. Charles Lovell, Class 3; Mrs. Clyde Grace, Class 5; Mrs. L. B. Gage, Class 7-A; Mrs. C. F. Cook, Class 7-B; Mrs. Charles Lovell, Class 8-A; Mrs. L. B. Williams, Class 8-B; Mrs. LaFoy Patterson, Class 8-C; Mrs. W. A. Cassie, Class 9; Mrs. Harold Bonner, Class 23; Mrs. Harold Bonner, Class 23-B; Mrs. C. G. Green, Class 25; Mrs. J. P. Morgan.

Sophomores Continue to Lead HHS Classes Making Six-Week Honor Roll

Sophomores of Hamlin High School continued their command of classes making the honor roll when they placed 32 on the top ranking group for the second semester, according to tabulation of the honor roll just released by B. V. Newberry, high school principal.

Juniors were second in rank with 27 students, freshmen were third with 25, and the seniors had 15 on the honor list.

The complete honor roll as released this week follows:

Seniors: All As—Kline Irvine, Renee Moore, Billy Murff and Elva Siburt; A average—Deloris Carter, Everett Gibson, Joyce Grimm, Benita Smith and Joe Stephens; B honor roll—Whynama Hayes, Donna Kidd, Don Rose, Bob Spaulding, Sandra Stuart and Virgil Wilson.

Juniors: All As—Jerry Carlton, Jerry Crowley and Libby Johnson; A average—Wesley Acklin, Eddie

Film to Be Shown at GOP Meet Monday

A special film will be shown as a feature of the meeting next Monday evening of the Ground Observer Corps, states J. C. Burton Jr., supervisor of the local post.

Sergeant Jay Hyde of the regional GOC office at Abilene will be present and give training instruction at the session, which gets underway at 7:00 o'clock.

Class 25-B; Mrs. LaFoy Patterson, Class 28; Mrs. Vera Nobles, Class 29; Mrs. Edmund W. Robb, Class 30; Mrs. J. P. Morgan, Class 31; Mrs. Clyde Grace, Class 38; Mrs. LaFoy Patterson, Class 39-A; Mrs. C. G. Prater, Class 39-B; Mrs. R. D. Moore, Class 40; Mrs. J. P. Morgan, Class 43; Mrs. C. F.

ELVA SIBURT GOES TO STATE MEET AT AUSTIN

Hamlin High School will have an entry in the state Interscholastic League literary events to be staged at Austin this week-end. Elva Siburt placed second in the shorthand regional meeting held Saturday at Brownwood and won the right to represent this region in the state meet to be held at Austin May 3. Elva had an accuracy record of 99.1 per cent.

Kletta Gebhardt of Winters placed first with 100 per cent accuracy. Sarah Robertson of Haskell placed third with 98.9 per cent.

The contest consisted of a five-minute dictation at the rate of 90 words a minute. Elva was coached by Dora D. Mitchell.

Attendance, by churches, for April 20, April 13 and a year ago follows:

Six Holidays Set For Observance by Voting, Says BCD

Observance of six holidays during 1958 was approved Monday evening when the board of directors of the Hamlin Board of Community Development met and canvassed the ballots cast recently by business and professional men and firms.

The approved holidays are Memorial Day, Friday, May 30; Independence Day, Friday, July 4; Labor Day, Monday, September 1; Veterans Day, Thursday, November 11; Thanksgiving Day, Thursday, November 27; and Christmas Day, Thursday, December 25.

The ballots were designed to get a cross-section of the feelings of firms about closing for officially approved holidays. All six received more than 70 per cent of the 110 ballots cast.

The BCD approved a plan to improve the airstrip north of the Katy railway. A committee composed of Gene Previtt, Johnny Agnew, W. T. Johnson and John Howard Jr. was named to handle details of clearing the landing strips.

Trade Buck Plan of engendering more patronage of Hamlin community firms was approved after presentation by Joe Hudspeth, chairman of the retail trade committee. A meeting of business men has been called for Friday morning at 9:30 o'clock at the Ferguson Theater to outline the project more in detail.

Sunday Schools Gain In Attendance Over Low of Previous Week

Sunday Schools of most Hamlin churches recovered last week considerably from the low record of the previous week. The Sunday total of 1,292 was 247 more than the previous week but 144 less than the year ago figure, which was on Easter Sunday.

Attendance, by churches, for April 20, April 13 and a year ago follows:

Churches—

AWARDS OF DISTINCTION were presented to the three Hamlin women above as a climax to the Spring Garden Show staged Saturday under sponsorship of the Hamlin Garden Club. Mrs. L. B. Williams (left) was presented the tri-color award; Mrs. M. T. York (center) was awarded a brown award of distinction for her work on the bulletin board shown; and Mrs. LaFoy Patterson won orange and brown awards of distinction.

City-Wide Clean-Up in Hamlin Is Scheduled for Next Week

Judson Prince of Fort Worth to Lead Baptist Revival

Annual spring revival of the First Baptist Church will get underway Sunday, according to Rev. Calvin Bailey, pastor. Services will be held next week at 10:00 a. m. and 8:00 p. m. The revival will continue thru Sunday, May 4.

Evangelist for the series of revival services will be Rev. Judson Prince, pastor of the Oakhurst Baptist Church of Fort Worth. An outstanding speaker of the denomination in Texas, Rev. Prince is a Bible scholar of interest, declares Bailey.

Directing the music for the meeting will be Bill Davis, musical director of the church, who will lead the congregational singing and present special numbers during the eight-day revival. Pastor Bailey and his congregation extend an invitation for the public to attend.

EVANGELIST for the series of revival services beginning Sunday at the First Baptist Church will be Rev. Judson Prince, pastor of Oakhurst Baptist Church in Fort Worth. The services will continue through the following Sunday, May 4.

HOME FOR WEEK-END. Gene Steele, student at Hamlin, Simmons University at Abilene, was home for the week-end for a visit with homefolks.

Extra Trucks to Be Furnished by City for Pick-Up

Concerted city-wide clean-up for Hamlin has been set for the week of April 28 through May 3, it was announced this week by the Hamlin City Council and the Board of Community Development.

In setting the spring clean-up city officials are urging the entire citizenship of the community to participate in the campaign to gather up cans, bottles, old tires, tree trimmings, weeds and all forms of debris that has accumulated during the past fall and winter throughout the business and residential sections of the city.

The trash should be put in boxes and sacks that can be handled by one man, and placed in accessible places in the alleys. Extra trucks will be put in service by the city to handle the extra trash during next week, city officials announce.

Since fly and mosquito breeding season begins soon, special stress is placed on gathering up old cans and bottles and other receptacles that will hold water for possible insect breeding sites. The citizens are urged to clean up adjoining vacant lots as well as their own premises.

Paula Andress Wins City Correct Posture Contest Monday Eve

Paula Andress was selected as Miss Correct Posture of Hamlin in the correct posture contest held Monday evening at the high school auditorium. Runner-ups in the competition were Joyce Grimm and Bette Teague.

Judges for the contest were Mrs. L. McClung, Mrs. Kenneth Riddle and Stan Sheppard of Hamlin and Dr. C. L. McInturf of Abilene.

Austin Siburt, minister of the Hamlin Church of Christ, acted as master of ceremonies, and Mrs. J. W. McCrary furnished music for the occasion.

Miss Andress will represent Hamlin in the district contest to be held May 2 at San Angelo. Winner of the district contest will participate in the state contest, to be held at the Texas State Chiropractor Association Convention in Dallas from June 13 to 15.

Probably Only \$1.40 Needed for Present Budget

An election to vote on a proposition to raise the tax rate limit from \$1.25 to \$1.50 per \$100 in property valuation for school purposes for the Hamlin Independent School District has been ordered for Saturday, May 10. The order was issued by the board of trustees of the district at a special session Tuesday evening.

A petition circulated among representative citizens of the district and signed by more than 50 property owners of the district was presented to the school board late Tuesday. The petition asked that the election be called in order to raise more tax money for operation of the Hamlin Schools.

The petition followed several appearances by Superintendent of Schools C. F. Cook and members of the board of trustees in recent weeks before civic groups and others, where they explained the plight of the schools brought about by increasing school costs and decreasing tax revenues.

Reaction of most citizens has been that more money must be raised to meet rising costs rather than sacrifice the quality of the school program. Hence, the petition was brought about.

In detailed statements Cook has shown that more than \$30,000 has been lost by the school district in revenues in the past three years. Accounting for much of this loss has been a decrease in oil valuations in the district of \$1,200,000. Other losses are due to a rise in the state local assignment for the schools.

The schools, explains Cook, have been operating at a loss for about a year, and further deficits face the school unless more revenues are created.

Members of the school board have expressed the opinion that a tax of only \$1.40 will be necessary for the present, but the \$1.50 maximum is being voted on to allow for adjustments if needed.

More detailed information about the schools' financial predicament are scheduled to be printed in next week's Herald.

Junior-Senior Banquet Slated Next Thursday

The annual junior-senior banquet for upper classmen at Hamlin High School will be held at the Primary School cafeteria this (Thursday) evening at 8:00 o'clock.

Students of the senior class and members of the high school faculty received their invitations several days ago.

Sponsors for the host junior class group are Dora Mitchell and Harold Williams.

Plans Shaping for Big Singing Meet in City

Plans are going ahead in Hamlin for entertaining hundreds of visitors at the annual convention of the West Texas Sunshine Singing Convention, which meet at the high school auditorium Saturday and Sunday, May 3 and 4, according to Gayle Balze, secretary, of Tuxedo.

Biggest crowd is expected Sunday afternoon when an overflow attendance is expected.

Who's New This Week

Only one baby was reported this week by the Hamlin Memorial Hospital:

A son, Clifford Bradley, arrived last Sunday, for Mr. and Mrs. Bill Etheredge of Snyder. He tipped the scales at eight pounds and one ounce.

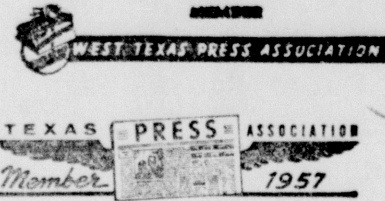

RECEIVING CERTIFICATES AND PINS for having completed a year of vocational nurse training at the Hamlin Memorial Hospital were the group of women above. Presenting the certificates and pins was Mrs. Elizabeth Krait, supervisor of nurses at the hospital. (Shown are: Front row (left to right): Mmes. Viola Brown, Bernice Nunley and Ruby Ferryman; second row: Mmes. Dossie McCain, Earlene Williams and Leona Teichelman; third row: Mmes. Todd Brown, Lola Jenkins, Christine Wilcox and Mary Majors.

NUCLEAR WEAPONS TESTING MUST CONTINUE

Fundamentally, people are the same all over the world. In accordance with his knowledge, experience and ability to react, the emotions in Africa, New Zealand or China are seemingly the same as ours.

When the Soviets announced their intention to suspend testing of nuclear weapons the world reacted. It seemingly is natural that man wishes to hear and believe that which he wishes to hear and believe, hence the propaganda value of the Russian announcement.

Our nation, whose every act is based on the moral concept, could not make such a promise unless it intended to keep it.

It is the purpose of this nation to continue to test nuclear weapons, declares Congressman Omar Burleson in a recent release to The Herald from Washington. Russia says that if we continue to explode atomic hydrogen tests that they will be refused from their promise to suspend their testing.

It is wrong to assume that all people of the world trust the United States. Millions of untold millions know us as little or less than they know the Russians. They are conscious of the meaning of the explosion of hydrogen bombs and fear it.

The purpose of our government in further testing is to develop the "clean bomb," to control its effects and reduce its size for better military and peaceful purposes. But many

people will not listen to the reasoning. Rather they want to hear that all tests are suspended. It is the call of the first.

Some years ago Philip Wylie told the story of the "Fifth Horseman." He rode ahead of his brothers, warning the people of their coming. The people laughed and refused to believe. So when Conquest, Famine, Death and Pestilence ravished the land, the people were caught unprepared. Then when the Fifth Horseman rode back over the ravaged land, the people reviled him and shouted, "Why didn't you warn us?" Infuriated by such ingratitude, he rode with his brothers and was more terrible than any. His name: Reality.

From long and experience we know that the men in the Kremlin cannot be trusted. In fact, since the days even before Lenin they have told us of their intent to conquer the world by deceit, treachery and all other means necessary to accomplish their ends.

Which of these promises should we believe? Should we believe that they are honest in suspending nuclear weapons tests; that they are sincere in their desire for a "summit" meeting, looking for ways to resolve our conflicts peacefully? Shall we believe they actually will keep their agreements; that we can trust them without a fool-proof system of inspection; or shall we believe what the Soviet leaders have told us during the past 40 years?

Nuggets of Thought

It is always easier to believe than to deny. Our minds are naturally affirmative.—John Burroughs.

Philanthropy is almost the only virtue which is sufficiently appreciated by mankind.—Henry David Thoreau.

Genuine benevolence is not stationary, but sympathetic; it goes about doing good.—William Nevers.

Benevolent feeling ennobles the most trifling actions.—William Makepeace Thackeray.

Posthumous charities are the very essence of selfishness when bequeathed by those who, while alive, would part with nothing.—C. C. Colton.

Every trial of our faith in God makes us stronger.—Mary Baker Eddy.

As the flower is before the fruit so is faith before good works.—Richard Whately.

Conservation for Future

"The successful operation by farmers of a nation-wide soil and water conservation program through their Soil Conservation District has proven that a free enterprise operation can do the job effectively and that a free people can govern themselves as in contrast to 'conservation by government edict'—and expensive, tax-supported administrative agency operation."

That was said by Nolan J. Fuqua, president of the National Association of Soil Conservation Districts, at a speech before the last annual convention of the Farm Equipment Institute. And that was certainly a logical place to talk about conservation—for modern agricultural machinery has done more than any other thing to make it possible, practical and profitable.

Fuqua said that there are more than 2,700 of these districts—all administered by locally elected farmers and ranchers. Nearly 2,000,000 farmers are participating in carrying out soil and water conservation plans throughout the country. And here is a work with a real cash value—for it has been proven that proper soil conservation increases the annual net farm income by \$6 to \$15 per acre.

More important, it is the means whereby our limited farm acreage will be preserved for the generations to come. In this time of soaring populations, food and an urgent need for conservation is needed.

The Real Boss

Said someone on passing, "What a beautiful home; I wonder whose it is?"

"The design is mine," said the architect.

"I built it," said the contractor.

"That's some of my work," said the bricklayer, the excavator, the cement contractor, the plumber, the electrician, the carpenter, the plasterer and the glazier.

"I made the rooms so liable," said the interior decorator.

"I painted that white framework and the blue shutters," said the painter.

"I planted the shrubs and bushes, and designed the winding brick walk," said the landscape gardener.

"I furnished the water, the gas, the electric light, the sewerage, the sidewalk, the paved street, and police and fire protection," said the city.

"I sold the furnishings," said the owner of the big department store.

"It was all my idea, and I planned the conveniences," said the wife.

"I worked hard for the money," said the husband.

"I helped you with the finances," said the banker.

"I introduced you two young people," said the maiden aunt.

"It is my home; it was built for me," said the baby.

Editorial of the Week

USES OF PAPER CLIPS

It's hard to keep track of the various committees of one kind or another that pop up in Washington and so it's not surprising to have the Manchester Guardian report one one that few Americans have heard about.

It's a committee which investigated the use of 100,000 paper clips to make sure that they were put to economic and useful purposes. The findings:

About 20,000 were used properly to clip paper. Of the remaining 80,000, more than 3,000 were used as pipe cleaners, 5,309 as nail cleaners, 5,434 as toothpicks or ear scratchers, 19,413 as clips in card games, 14,143 were destroyed or bent out of shape during boring telephone conversations, 7,200 served as emergency hooks on brushrings and suspenders, and the balance fell to the floor, were swept up or were swallowed by small children. The Manchester Journal.

RECALLING Other Years

★ Being news items taken from old files of Your Home - Town Newspaper, The Herald.

THIRTY YEARS AGO.

Among happenings in the Hamlin community 30 years ago were the following, being news briefs reproduced from the issue of The Hamlin Herald dated April 6, 1928:

First big hatch of baby chicks at the new Hamlin Hatchery was taken off Tuesday morning by Manager Curtis Martin. There were 7,101 chicks in the first hatch. The new Hamlin enterprise has a capacity of 47,000 eggs.

Contract was let Tuesday for a new church building by the First Baptist Church. Contract went to Tip Ross of Gorman, former Hamlin resident, on his low bid of \$29,925.

W. D. Cooper, while electioneering in the Tuxedo community last Friday, was slightly injured in a car wreck. His Buick roadster was struck by a high powered car driven by Dick Colbert of Stamford. The Colbert car turned over twice and was damaged considerably.

J. J. Waggoner was reelected as mayor of Hamlin in the city election Tuesday. Also named to City Council places were Fred H. Britton, Paul Bryan and Martin McCain, all unopposed.

TWENTY YEARS AGO.

The following news briefs, reflecting goings-on in the Hamlin community 20 years ago, are reprinted from the issue of The Hamlin Herald dated April 8, 1938:

Lone Star Cafe, operated by Carmichael brothers, and the Tom Vaughan building next door were completely destroyed by fire last Thursday night. Considerable damage was also done to the Reynolds Drug Store next door by a blast originating in the drug store ceiling during the fire.

Joe Culbertson was reelected mayor of Hamlin and Clyde Williams, J. W. Ezell and H. O. Casper were elected aldermen in voting Tuesday.

Several Home High School home economics girls attended the district meeting at Stamford Saturday afternoon. Among the girls were: Oma Lee Edwards, Virginia Center, Helen Wells, Ada Jane Toward and Norma Gentry.

Dr. J. T. Bynum Jr. and wife celebrated their 40th wedding anniversary by taking special trip to El Paso, N. M.

He has changed his interest in the Hamlin Home to Dr. Thomas Gentry and wife, Dr. Paul Gaye Inzer.

TEN YEARS AGO.

Among news items of interest in the Hamlin community 10 years ago were the following, reproduced from the issue of The Hamlin Herald dated April 9, 1948:

Only one week was required for area citizens to secure the right-of-way for the proposed extension of the farm-to-market road from Nelinda to the Chapel community on Highway 180, six miles farther south, which may be a record time.

Annual Jones County Singing Convention, held last week-end at Anson, drew more than 4,000 singers and song lovers from a wide territory.

HHS Pied Piper baseball crew played Tuesday afternoon to usher in the 1948 baseball season by defeating the Merkel Badgers by a 25 to 8 score.

Rev. John Osteen, pastor of the First Baptist Church, left Monday for Houston to attend the state Sunday School convention.

More than 400 people attended the annual membership banquet of the Hamlin Chamber of Commerce Tuesday night.

Arlie Cassle, Clyde Huff and B. M. Brundage were elected to the City Council in the city election Tuesday.

FIVE YEARS AGO.

From the issue of The Hamlin Herald dated April 10, 1953, the following news items of interest were taken, reflecting happenings of five years ago in the Hamlin community:

Jake Lawson of Hamlin was elected president of the Mid-West Texas Firemen's Association last Thursday at the annual business meeting of the group held at Haskell.

Onis Crawford and Tarleton Willingham were elected to the Hamlin Independent School Board of Trustees in voting Saturday.

A game similar to backgammon was played by the Aztec Indians of Mexico centuries before the arrival of Cortez.

Winn's Variety Store Managers Told That Business on Upgrade

"Business is on the upgrade," declared officials of the Winn Variety Stores chain when they spoke last Friday morning at a meeting of 20 managers of stores of this area at the oil mill guest house. A luncheon was given for attendants.

Managers present were Jasper Gentry and Mary Sullivan of Anson, Alfred Myers of Breckenridge, Cliff Switzer of Graham, Martin Middlebrook of Winters, Mrs. Mary Rudd of Crosbyton, Bill Barrett of Rotan and Ed Croan of Hamlin.

C. C. Sheffield of Rotan, superintendent of stores in West Texas, was in charge of the meeting.

From the home office at San Antonio were Messrs. Lynn Spears, Evetts, Williams, Fryar, Shipley,

New Bulletin on Grass Available by Agent

A new bulletin on improved Bermuda grasses for golf greens, athletic fields, etc. is now available at the county agent's office. This new grass, Texturf 1F, produces a dense ground cover that tends to be free of weeds, it is relatively free of unsightly seed stems and makes good spring recovery.

The bulletin also describes two other varieties which may be of interest to residents of this area, says County Agent Kirby Clayton.

A game similar to backgammon was played by the Aztec Indians of Mexico centuries before the arrival of Cortez.

Boland, Morris, Hodge, Redditt and Carroll.

Grade School Cagers of Old Glory Feted at Banquet; Other News Notes

Clarice Leverett, Correspondent

"How you play the game" was stressed by Mose McCook, speaker at the Old Glory Grade School boys' and girls' banquet recently. Honoring the grade school basketball teams, the coach, V. R. Leverett, and parents, staged this event in the school cafeteria.

Following the basketball theme and with colors of red, white and blue, the tables were decorated with crepe paper runners and miniature ball courts. Head table featured a larger court with miniature players, referees and coach. Place-cards were miniature scoreboards with the program, menu and players' names inside.

The banquet decorations and foods were planned and prepared by the mothers. Mrs. Odine Spitzer was chairman of decorations. Waitresses were girls from the junior and sophomore classes and they were helped in the kitchen by Mrs. Ted Jennings.

McCook, a former athletic participant in sports, a former coach and associated with the Athletic Supply in Abilene, pointed out that goals should be set high and rules followed whether a person is a player on the court or as a player in life.

Coach Leverett summarized the year's activities and presented the six trophies won during the year. These included district championship by both boys and girls, three tournament first places by the boys and one consolation by the girls.

Feature numbers included piano selections by Jeanie Tredemeyer and Sarah Shatto, and a reading by Bernice Offill. Opening and closing prayers were given by Ansel Sawyers and Tom Pritchard respectively.

area Saturday and Sunday. The amount of rain was from three-quarters of an inch to more than one inch. The moisture was really needed for the grain, because of the recent dust storms and high winds.

Mr. and Mrs. Harvey Latham and daughters visited Mrs. Latham's parents, Mr. and Mrs. Mc-Minn, in Texarkana.

Mr. and Mrs. Melvin Lehmann and children of Fort Worth have been visiting their parents, Mr. and Mrs. Louis Spitzer.

Mrs. Jack Fuqua and her mother, Mrs. Alice Macon, visited Mr. and Mrs. Lynn Flowers last Thursday.

A large crowd attended the school fun festival Friday night. The usual games and attractions, bingo, cake walk and many others, were enjoyed. Highlight was the coronation ceremonies. Marja Vargas, senior, was crowned High-School Festival Queen, and was escorted by her brother, Sam Vargas. Stephanie Letz was crowned Grade School Princess and was escorted by Mike Baldree.

County Agent Truett Hennig says that a good sized crowd of farmers attended the first tractor maintenance school held Saturday at Old Glory. Hennig and W. H. Vahlenkamp had charge.

Reunions from Saturday's school trustee election at Old Glory on Saturday showed a total of 71 votes cast. Lewis Corzine was elected to fill the vacancy left by the resignation of Carl Druesedow. Herbert Vahlenkamp was reelected.

Mr. and Mrs. Raymond Gerloff of Abilene visited his mother, Mrs. Katie Gerloff, Sunday.

Mr. and Mrs. Louis Rinn and sons of Fort Worth have been visiting their parents, the John Letz and the Herbert Rinn.

Mrs. A. L. Flowers hosted a quilting party at her home Tuesday afternoon, April 8, at 2:00 o'clock. A quilt was completed for Mrs. Carl Hunt.

Old Glory tennis players made almost a clean sweep of district honors. Clarice Leverett won first in high school girls' singles; Joe Baitz and Jackie Hogard won first in boys' doubles; Bill Franklin won second in boys' singles; high school junior boys won by default.

In grade school games at the district tennis meet Alden Lowack won first in boys' singles; Sandy Leverett and Eddie Patterson won first in boys' doubles; Mary Boles and Sharon Leverett won first in girls' doubles.

The District 14-B Interscholastic League meet was held at Aspermont. Winners from Old Glory were: Bernice Offill, second in typing; Bernice Offill, second in girls' poetry reading; Clarice Leverett, second in girls' extemporaneous speaking; Bobby Hunt,

Livestock Moves Slower at Fort Worth At Unsteady Prices, Report Declares

Slaughter lambs were very slow and prices were 50 cents to \$1 lower on the Fort Worth market this week, according to the weekly release of Ted Gouldy, special market reporter for The Herald. His release continues: Sheep also sold around \$1 lower. Choice spring lambs topped at \$22.50 sparingly. Old crop shorn lambs topped at \$19.50.

Cattle and calves were active and fully steady, some sales of cows were 25 to 40 cents higher.

Hogs were steady to 25 cents

second in ready writing; Larry Quade and Charles Diers, second in spelling; Vernon Leverett, second in junior boys' declamation; Joe Cannon, first in sub-junior boys' declamation.

County Agent Truett Hennig has announced as winners in the recent Stonewall County 4-H Club Livestock Show held at Aspermont: Swine division: Boars, grand champion, Charles Diers of Old Glory; blue ribbons, Charles Diers of Old Glory; fat hogs: grand champion, Sandy Leverett of Old Glory; blue ribbons, Sandy Leverett and Buddy Tredemeyer of Old Glory.

Mr. and Mrs. Don Smith, students at Sul Ross State College at Alpine, spent the Easter holidays with their parents, Mr. and Mrs. Waymon Smith at Aspermont and Mr. and Mrs. G. D. Franklin at Old Glory.

Jay Pumpfrey was reelected president of the West Texas Hereford Association at the annual meeting held Friday at the Wooten Hotel in Abilene.

lower. Choice butcher hogs cashed at \$21.25 to \$21.50, and mixed grades and weights sold from \$19 to \$21. Sows sold from \$18 to \$20, and feeder pigs cashed at \$20 downward.

Good and choice spring lambs sold from \$21 to \$22.50, and cull to medium spring lambs sold from \$16 to \$20. Feeder spring lambs sold from \$20.25 downward.

Good and choice old crop shorn lambs sold from \$18 to \$19.50, and cull to medium sorts sold from \$15 to \$17.50. Feeder old crop lambs sold from \$18 down, and stocker ewe lambs sold up to \$21.50. Two-year-old wethers sold from \$17 down, and aged wethers cashed at \$15 down. Slaughter ewes sold around \$9 to \$9.50.

Good and choice slaughter steers and yearlings cashed at \$25 to \$29, and common and medium offerings cleared at \$16 to \$24. Slaughter heifers sold from \$27.50 downward.

Good and choice slaughter calves netted from \$25 to \$28, and common and medium offerings cashed at \$17.50 to \$24, while culls sold from \$14 to \$17.

Fat cows sold from \$17.50 to \$21, and canners and cutters drew \$12 to \$17.50. Bulls cashed at \$16 to \$21. Medium and good stocker steer calves sold from \$25 to \$30, and stocker steer yearlings went at \$28.50 downward.

VISIT IN HAMLIN.

Mrs. John O. Moore and children of Oklahoma City and Mrs. Tom P. West and children of Abilene visited their mother and grandmother, Mrs. H. A. Johnston, for several days.

Carl Murrell Tells Lions Club BCD Is Making Progress

Projects are being shaped by the newly organized Hamlin Board of Community Development to improve the economy of the community, declared President Carl Murrell of the BCD, as he gave a brief resume of activities of the organization when he spoke at the Tuesday noon luncheon of Hamlin Lions Club at the oil mill guest house.

"Agriculture is basic to the Hamlin community," pointed out Murrell, "and the BCD is concentrating efforts to keep the farmers on the land by helping to make farming more profitable through conservation, providing markets and offering further assistance."

Murrell reported that 135 members have been signed up in the BCD, and more than \$8,300 has been pledged on the \$10,000 budget for the year.

Other projects already carried out and planned by the BCD include assistance with highway right-of-way procurement, improvement of Hamlin airport, expansion of retail trade, assistance with farm projects, declared Murrell.

Besides Murrell, other guests at the Tuesday luncheon included Ed Priest of Abilene and Rev. H. C. Adair.

Clarence Parker in Sul Ross College Band Playing at Santone

Clarence Parker, member of the Sul Ross marching band will be among the Sul Ross State College students from Alpine marching in the Battle of the Flowers in San Antonio on the night of April 24. Young Parker is a graduate of Hamlin High School.

Some 20,000 people will watch the Sul Ross Band, which will be featured at the Battle of Bands on Thursday night of the gigantic affair. As the special attraction the Sul Ross Band students, under the direction of Joe Bellamah, will head the activities of the night in which high school bands from around and in San Antonio will compete in the Battle of the Bands.

Departure is scheduled for April 21, and the group will return to Sul Ross on April 26. Among the schools at which the band will perform while on tour are San Angelo High School, Lake View High School of San Angelo, Robert Lee High School, Santa Anna High School, Ballinger High School and Llano High School. On arriving in San Antonio, the band will play for three high schools there.

Larger river basin in the world is that of the Congo River in Africa.

Constable is derived from Latin words meaning "master of the horse."

Officers for New Year Installed by Fifty-Two Study Club at Luncheon

Last stop on the Fifty-Two Study Club's "Tour of Knowledge" was at Mack Epley's Cafeteria in Abilene, where Eudora Hawkins of Abilene, installed the new officers. The luncheon was held in the banquet room with Mrs. Noel Weaver as hostess.

Tables were beautifully decorated with an arrangement of pink carnations as centerpiece. Plate favors were little garden chairs and a sterling silver olive fork, gift from the president.

At the impressive installation, in which Miss Hawkins used verses of the Bible for each officer's duties, the following officers

were installed: Mrs. Irby Weaver, president; Mrs. Cecil Sellers, first vice president; Mrs. J. T. Cox, second vice president; Mrs. Dale Lain, recording secretary; Mrs. L. A. Joiner, corresponding secretary; Mrs. J. O. Murphree, treasurer; Mrs. Charles Newland, reporter-historian; Mrs. Tommy Davis, librarian; Mrs. Gene Westmoreland, parliamentarian; Mrs. B. O. Bell, federation counselor.

Committees named by the new president for the coming year are: International Affairs — Mmes. Gerald Young and F. E. Bayouth. Home — Mmes. W. L. Moran, Gerald Young and Dale Lain.

Telephone Mmes. Dean Witt and Tommy Richey. Program — Mmes. J. T. Cox, E. J. Croan, W. L. Moran, Gene Westmoreland and B. O. Bell.

Representing Standing Committees — Mrs. Jack Wicker. Education — Mmes. Noel Weaver and Tommy Richey.

Methods and Finance — Mmes. Edgar Lewis and J. O. Murphree. Community Affairs — Mmes. W. G. Ferguson, W. S. Seals and Neil Laminack.

Friendship — Mrs. L. A. Joiner. Communication — Mmes. Joe League and Gene Westmoreland.

Americanism — Mmes. F. E. Bayouth and B. O. Bell.

Public Affairs — Mmes. Jack Wicker and Charles Newland.

Conservation — Mmes. Tommy Davis and E. J. Croan.

Membership — Mmes. L. A. Joiner and Joe League.

Fine Arts — Mmes. W. S. Seals and Cecil Sellers.

Texas Heritage — Mmes. Dean Witt and Fred B. Moore.

Twenty members and one guest attended this last meeting of the year.

Elmer Hawkins Will Be at Home Sunday

Dr. and Mrs. Elmer J. Hawkins, Lou Ann, Jimmy and Sharon will be at home to their friends in their newly completed home on West Lake Drive Sunday afternoon.

Visitors are invited to call between the hours of 1:00 and 7:00 o'clock.

THESE WOMEN!

By d'Alessio

National Home Demonstration Week Will Be Observed with Tea at Anson

Plans were made to celebrate National Home Demonstration Week with a county-wide tea for members of the Home Demonstration Clubs when the Jones County Council met at Anson last Wednesday.

The tea will be held Wednesday, May 7, at 2:30 p. m. at the Woman's Club building in Anson. The featured speaker will be Fern Hodge, district agent.

Bluebonnet and Friendship Clubs will have charge of decorations and clean-up before; Good Neighbor will register; welcomes will be extended by Goodman; Willow Creek and Avoca will have charge of refreshments and furnish the cookies; Friendship Circle, Sunshine and Stith clubs will do the serving; Tuxedo and Pleasant Valley will have charge of the program; and Compere and Lueders will clean up after the activities are over.

A report of the district meeting at Rotan was given by Mrs. Carter, Mrs. Fuqua and Mrs. Joiner, the three delegates from Jones County. Twenty-six women were present from Jones County. Mrs. Clarence Davis of Hardeman County was elected district vice president to succeed Mrs. Bill Hardy of Fisher County.

Members of the council were reminded that June is the time to pay the \$1 per club membership and also of the three-county camp at Lueders, to be held July 24 and 25. Jones County will have charge of the camp crafts this year.

On Thursday morning, April 24, at 9:30 there will be a rat control demonstration conducted at the

Floyd Moore farm at Funston, it was announced. That afternoon at 2:30 there will be one on the farm of John R. Brown Jr. in the Neinda community. Rat poison will be sold on the grounds at 25 cents per pound, and is a very effective means of controlling rats and mice around the farm. To be fatal it has to be eaten several days in succession, therefore, it is not harmful to children or pets if they should eat of it accidentally.

Thirteen county clubs were represented with 25 members and four visitors attending the council meeting.

School Board Organized And Rest of Teachers Elected for Next Session

Organization of the board of trustees for the Hamlin Independent School District was perfected at the last regular session of the group following election of two members to the board. At the session most of the remaining members of the faculty were elected for the 1938-39 school term. Key members of the faculty had previously been named.

Officers of the board of trustees are: Fred B. Moore Jr., president; Eddie Jay, vice president; Richard Young, secretary; and Bill Harbert, assistant secretary. Other members of the board are W. C. Eoff, Noel Weaver and Dr. M. L. Smith.

The following teachers were elected:

Hamlin Primary School — Mrs. Ina B. Williams, Mrs. Lily M. Hennington, Mrs. Marylee Rosenbaum, Mrs. Margaret A. Norton, Mrs. Mae Hennington, Mrs. Maude S. Elkins, Viola Avants, Mrs. Lueretia S. Stell.

Hamlin Elementary School — Georgia Moore, Mrs. Ima Shout, Mrs. Ethel Allan, Maggie Mae Seymore and Mrs. Leone Brown. Hamlin Junior High School — Harry Martin, Mrs. Lillie Gibson, Mrs. Olivia Griggs, Mrs. Georgia L. Lewis, Mrs. Bernice R. Johnson, Mrs. Hermona Jenkins, Jon Adams, Lola L. Milstead, Mrs. Inez Ferguson and Mrs. Bessie L. Miers.

Hamlin High School — Harold L.

Officers Installed for New Club Year by Literary Club Group

The club president was honored by members of the Woman's Literary Club when they met in the home of Mrs. Dick Maberry for the closing tea of the club year. The table was laid with a white embroidered organdy cloth, and purple iris were arranged for the centerpiece. Mrs. Maberry greeted guests and directed them to the dining room, where Mrs. Bill Harbert poured tea.

Two new members, Mrs. W. C. Weir and Mrs. Johnny Agnew, were welcomed by the president.

The course of study selected for next year is "Abundant Living Through Service."

Mrs. Maberry installed the following officers for the forthcoming club year: Mrs. A. B. Carlton, president; Mrs. Richard Young, first vice president; Mrs. Duane Stalcup, second vice president; Mrs. J. L. Fitzgerald, recording secretary; Mrs. W. A. Cassle, treasurer; Mrs. John D. Ferguson, critic; Mrs. Tarlton Willingham, parliamentarian; Mrs. John Ed Day, corresponding secretary; Mrs. Perry Sparks, press reporter; Mrs. O. D. Roland, librarian; Mrs. J. W. McCrary, musician.

Following the installation of officers, Mrs. A. B. Carlton presided over the remainder of the program, and appointed her committees. Mrs. Art Carmichael was elected representative to the Woman's Forum and Mrs. F. C. Briscoe was named alternate.

WHERE IT COMES FROM.

"So God has sent you two more little brothers, Sally," said the minister to the little girl.

"Yes," she replied, "and He knows where the money is coming from, too. I heard Daddy say so."

Program on Aprons Given at Meeting of Friendship HD Club

A program on aprons featured the meeting of the Friendship Home Demonstration Club met last Friday afternoon at 3:00 o'clock at the oil mill guest house. An exchange of patterns also was conducted.

There were aprons of all kinds — party aprons, hostess aprons, all-purpose aprons and then just plain every day aprons. About 25 aprons were on display.

A member of the Friendship Club recently attended the District 3 meeting of THDA at Rotan, and reported on the meeting.

The hostess, Mrs. Jack Collins, served coffee and cookies to eight members and four visitors.

Next meeting of the group will be Friday, April 25, at 3:00 p. m. at the home of Mrs. Fred Carpenter, 545 North Central Avenue. The program will be on outdoor meals for the family.

Answering roll call Friday were Mmes. Jack Collins, D. W. Carlton, R. M. Young, Fred Young, W. H. Murphree, M. S. Johnson, Gann Witt and Sol Branscum. Guests were Mmes. M. F. Eoff, Bill Smith, Mack Perdue and Raleigh Reynolds.

Governor Proclaims Cotton Week in Texas

Efforts to stimulate the sales of cotton products have been boosted with an official memorandum by Governor Price Daniel designating May 19 to 24 as Cotton Week in Texas.

With the action Texas officially joined in the observance of National Cotton Week. More than 15,000 retail stores and many communities across the country are taking part.

"Cotton plays an important role in the economy of Texas, accounting for 33.2 per cent of the farm marketings, and bringing an income of over \$630,000,000 annually at the farm level," Governor Daniel said.

Chile has a 2,653-mile coastline, but is only 31 miles wide at some points.

is regrettable that the vocational agriculture department has gotten so small that it was necessary to cut the department to one teacher, states Cook.

ENGAGEMENT and approaching marriage of Mary Margaret Willingham to Kenneth Holloway is being announced this week by Miss Willingham's parents. The wedding date has been set for June 21.

Xi Gamma Pi Gives Friendship Program

A program on "Friendship" was given when members of the Xi Gamma Pi chapter of the Beta Sigma Phi met Thursday afternoon in the home of Mrs. Jerry Waggoner.

The program was presented by Mrs. Wesley Nail, assisted by Mrs. M. L. Smith, Mrs. Gerald Young and Mrs. W. T. Johnson.

Refreshments were served to the following members: Mmes. E. J. Hawkins, George Poe, E. D. Perrin, C. Weldon Griggs, M. L. Smith, Wesley Nail, Gerald Young, W. T. Johnson and Jerry Waggoner.

Success is the ability to make more money to meet obligations you wouldn't have if you didn't have so much money.

Mary Willingham to Wed Ken Holloway In June 21 Ceremony

Mr. and Mrs. Tarlton Willingham of Hamlin are announcing the engagement and approaching marriage of their daughter, Mary Margaret, to Lieutenant Kenneth L. Holloway of Fort Riley, Kansas. He is the son of Mr. and Mrs. Henry Holloway of Anson.

The wedding will take place at 7:30 p. m. June 21 in the First Methodist Church at Hamlin. A reception will be held following the rites at 302 Northwest Avenue F.

The bride-elect will be attended by Mrs. Spero T. Constantine of Midland, matron-of-honor; Mrs. R. B. King Jr. of Fort Worth, Nancy White of Dublin, Martha Willingham of Corpus Christi, and Elizabeth Johnson, bridesmaids; Jeanne Marie Young of Hamlin, flower girl; and Jerry Stephens of Fort Worth, ring bearer.

Don Holloway of Anson will attend his brother as best man. Groomsman will be Jack Willingham of Hamlin, Don Tabb of Albany, Jim McQue of Fort Riley, Hamlin.

Miss Willingham is a graduate of Stephens College and is now a senior at Texas Christian University in Fort Worth, where she is a member of Kappa Alpha Theta Sorority. Lieutenant Holloway is a graduate of Texas A. & M. College.

PUTTING IT PLAINLY.

"What would I get," inquired the man who had just insured his property against fire, "if this building should burn down tonight?"

"I would say," countered the insurance agent, "about 10 years."

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

Austin.—Unemployment or no unemployment, most people this side of the Rio Grande aren't willing to bend their backs to pull onions at 50 cents an hour.

So say Texas farmers. Their crops are going to rot in the fields, they add, if the U. S. Department of Labor doesn't relax restrictions on importing Mexican nationals.

Spokesmen for organized labor have demanded a ban on importing labor because of climbing unemployment. But farmers say that idle aircraft mechanics, no matter how numerous, are no help in getting the crops in. According to the farmers, abundant rainfall gives promise of the best harvests in years—if they can get field hands.

Labor Department has put a limit of 26,500 braceros to be used in Texas during April and May. It's about one-fifth the number used this time last year. Rio Grande Valley growers say they could use the whole bunch in their area.

Texas Employment Commission says there are already about 26,500 here; hence, no more imports.

Under Labor Department regulations, workers cannot be imported until the TEC certifies the jobs cannot be filled with American citizens. Valley growers recently asked for braceros to harvest the vegetables. TEC certified to a shortage of workers in the area and, even after a state-wide canvass, was unable to fill the demand.

But the federal government suggested recruiting in other states before bringing in Mexicans.

Farm groups protested to every regulatory official in reach. Texas crop and weather conditions are such, they say, that when they need laborers, they need them then and there. Neither, they point out, do they have time or money to run all over the country looking for workers.

Though federal officials catch the brunt of their criticism, farmers put part of the blame for their labor problems on the increasingly fastidious nature of Mrs. Housewife. She won't have dirty old carrot tops any more, say the farmers. She wants clean, topped carrots—packaged in plastic. It means more work.

All Out for Safety.—Governor Price Daniel has started "the greatest highway safety campaign in the history of the state."

County judges, mayors, police chiefs, sheriffs, prosecuting attorneys, and school superintendents are being asked to hold meetings and organize local campaigns. Awards will be given to the local officials and news reporting agencies which do the best job of promoting traffic safety.

Governor's goal is to save "a life per county." This would total 254 lives or approximately 10 percent of last year's traffic death toll.

Anti-Ad Ban Upheld.—A new law prohibiting price advertising of eye glasses is constitutional, says the Texas Supreme Court.

Passed by the last Legislature, the law says "ophthalmic dispensers" (which the court says means optometrists, too) may not mention "bait, discounts, premiums, prices, gifts" in their ads.

It landed in the courts when one group of optometrists (Texas State Optical) brought suit to prevent another group (Lee Optical) from advertising prices. Defendants said the law was invalid because its caption did not specifically mention the things the law covered.

But the high court ruled the caption was clear enough.

The bill as originally introduced made no reference to price advertising. The portion pertaining thereto was inserted in committee without there being any change in the caption.

Opponents of the bill charged "trickery." They argued that this was just another attempt to raise

More Are Entering Service Now Than Being Released

An estimated 12 from Jones County entered the armed forces during March, exceeding the number estimated as having been discharged or relieved from active duty during the month.

Number of Texans going into the armed forces in March exceeded the number being discharged or relieved from active duty, Colonel Morris S. Schwartz, state selective service director, reported Friday.

"This is the first time this situation has prevailed for a 30-day period since July, 1957," Colonel Schwartz said. "Separations have exceeded entries in the months from August, 1957, through February, 1958."

Reports from all services in March to the state director of selective service showed 2,887 Texans as being segregated in active duty status. During the same period, 3,087 Texans entered the armed forces, which includes the Army, Navy, Marine Corps, Air Force and Coast Guard.

Of the 3,087 individuals who were reported as donning uniforms in March, 2,398 entered by enlistment. The remaining 689 went into service through the state's 137 draft boards.

Not included in this figure are three men who were inducted into the Army and Marine Corps for failure to perform reserve obligations in their units in conformity with existing law and regulation.

During the month of March, state draft boards sent a total of 2,024 draft age men to Department of Defense examining stations in Texas and Louisiana for pre-induction examinations.

Of this number 1,214 were declared acceptable for Army service by official examiners. The remaining 810 were declared unacceptable.

Draft age men deemed available for service by local boards are given both physical and mental tests prior to induction procedure and returned to their homes.

KERRY DRAKE

the price of glasses by prohibiting the publicizing of prices.

Up the Ladder.—One plan to up-grade higher education in Texas has official approval of the Commission on Higher Education. Others are under study.

Commission approved a request from the University of Texas to divert \$1,000,000 from its available fund, ordinarily used for buildings, to a research program. Noting that the university needs "brains as well as bricks," President Logan Wilson said the money would be used to attract and hold outstanding research personnel

and provide them with equipment and books.

Still under consideration by the commission are:

(1) Texas Technological College's request for graduate engineering study. Tech's engineering department is a sort of "strong back and weak mind" program, said President E. N. Jones, with 2,700 students and no upper level study to attract top-notch teachers.

(2) Texas A. & M.'s touchy problem of whether to admit women.

(3) A proposal to concentrate graduate study in home economics

at the two state colleges at Denton, curtailing home ec study at the University of Texas. Commission voted to re-study after hearing UT exes' protests.

Come to the Fair.—Texas Fine Arts Association is inviting all Texans with any sort of artistic bent to bring their handiwork to the Fiesta of Arts and Crafts on May 9 to 11 in Austin.

Artists and craftsmen from over the Southwest will be showing and selling their works from booths scattered over the grounds of Laguna Gloria. TFAA's picturesque

headquarters overlooking Lake Austin.

TFAA spokesmen said they particularly wanted to encourage exhibits from small town groups, such as hooked rug clubs and church needlework groups. Booths may be rented for nominal fees. Applications should be made at once by writing Mrs. Willie Burk, P. O. Box 5023, Austin.

Designed to create the atmosphere of an Old World fair, the fiesta will have strolling musicians, singing gondoliers, boat rides, a Mexican market, Siamese gardens, puppet show, fish pond,

and, of course, a serious art exhibit.

Judge Greenhill Files.—Judge Joe Greenhill of Travis County, who was named to the Supreme Court last fall by Governor Daniel to succeed the late Judge Few Brewster, has filed for election to the office. Judge Greenhill, who has had 20 years of trial and appellate court experience, says he will campaign actively in every county in the state between now and the July 26 primary.

DOWN MEMORY LANE.

"Crop failure?" asked the old gentleman. "Yes, I've seen some in my time. I remember back in '97 the corn crop was almost nothing. We cooked some for dinner one day, and my old peppy ate 17 acres of corn at one sitting!"

Robert Patterson Of Snyder Enters State Senate Race

Robert R. Patterson, State Representative from Snyder, announced today (Thursday) he will seek the Democratic Nomination for State Senator of the 24th Senatorial District.

Patterson, 46, and a lawyer, has served two terms in the House of Representatives from the 90th Legislative District, composed of Scurry, Borden, Garza, Kent and Crosby Counties. He was chairman of the delegation of the 24th Senatorial District at the Democratic convention in Fort Worth in 1956.

The incumbent State Senator is David Ratliff of Stamford who was elected in a special election following the death of Harley Sadler.

In making his announcement the candidate for the upper house of the State Legislature said he would make an on-the-ground

Rev. Robb Preaching In Revival at Gruver

Rev. Edmund W. Robb, pastor of the First Methodist Church in Hamlin, left Sunday for Gruver, where he is doing the preaching in an eight-day revival meeting at the Gruver Methodist Church.

Dr. S. B. Thompson, dean of men at McMurry College in Abilene, will fill the pulpit at the Hamlin church Sunday morning. Ronnie Parker, Hamlin ministerial student at McMurry, will preach Sunday evening.

person-to-person campaign from now until election day.

"Based on my experience in the Capital during the two regular sessions and two special sessions of the Legislature, I am convinced that the best interest of the people of West Texas will be served by a change in this office. During the course of this campaign I will submit to substantiate my opinion" the candidate said.

Patterson was born at Rotan, August 18, 1911, the son of Mrs. R. R. Patterson and the late R. R. Patterson, a pioneer family which settled in Fisher County in 1907. He attended the public schools in Rotan, Texas Tech, the University of Texas and graduated with the LL.B. Degree from Cumberland University. Licensed to practice law in 1939 Patterson opened a law office in Snyder. During World War II Patterson was in the Navy aboard a destroyer operating in the Atlantic and Pacific.

Prior to his first term in the House of Representatives in 1955, Patterson had served as Special County Judge of Scurry County during the height of the oil boom there and as City Judge of Snyder.

The 24th Senatorial District of the State Legislature is composed of: Dickens, Garza, Kent, Stonewall, Borden, Scurry, Fisher, Jones, Shackelford, Howard, Mitchell, Nolan and Taylor Counties.

CHILD'S DARK HOUR—Blaze, a four-year-old Springer Spaniel, is comforted by Jackie Dunson, 12, in Dallas, after being hit by a car. Blaze's young master, Daniel Steven Dunson, 8, the girl's brother, was hit by another car when he went to aid his pet. Daniel was treated for bruises at a Dallas hospital. Blaze died at a veterinarian's office. Jackie and Daniel are the children of Mr. and Mrs. Jack Dunson of Dallas.

Hamlin Band Will Compete in Area Tests at McMurry

McMurry College will be host next week to 38 high school and 10 junior high school bands in a University Interscholastic League Regional II band and orchestra concert and sight reading contest.

The three-day contest will begin Thursday and end Saturday. Three junior high school aggregations from Abilene, South, North and Lincoln, are entered along with Robert E. Lee and Thomas A. Edison of San Angelo. Others include Reagan Junior High from Sweetwater and Ranger, Colorado City, Snyder and Dublin.

Among the 38 high school entries are San Angelo, Brownwood, Abilene, Sweetwater, Snyder, De Leon, Brady, Dublin, Ranger, Eastland, Haskell, Coleman, Cisco, Winters, Anson, Stamford, Hamlin, Merkel, Albany, Roscoe, Roby, Cross Plains, Rotan, Santa Anna.

Others are Throckmorton, Menard, Goldthwaite, Mason, Junction, Sonora, Ozona, Jayton, Gorman, Robert Lee, Rochester, Lorraine, Baird and Trent.

Only Abilene and San Angelo High School Bands are listed in Class 4-A competition, while Snyder and Sweetwater are the only 3-A entries.

A field of 12 bands will be competing in Class 2-A, including Brady, Dublin, De Leon, Ranger, Eastland, Haskell, Coleman, Cisco, Winters, Anson, Stamford and Hamlin. Class 1-A entries are Merkel, Albany, Roscoe, Roby, Cross Plains, Rotan, Santa Anna, Throckmorton, Menard, Goldthwaite, Mason, Junction, Sonora and Ozona. All others are in Class B.

Judges will include Weldon Covington and Frank Phillips, both of Austin; Carrell McMath of Denton; and Joe Bellamah of Alpine, in band competition. The orchestra judging panel will be Eric Sorantin of San Antonio, Dean Lowman of Commerce, Alan Richardson of Denton and Albert Gillis of Austin.

The meet not only will include band and orchestra competition, but also student conducting, sight reading and solo and ensemble performances.

DIAPER TONGS HANDY. A new aid for busy mothers are plastic tongs that come in handy to relieve diaper drudgery. The tongs hold, dip, squeeze and wring out diapers and training pants without a touch of your hand to the soiled cloth. The tongs are molded of one piece of plastic.

NEW SEAT FOR JUNIOR. A new folding portable child's toilet seat folds into a 16-inch-square package, easily slipped into a glove compartment or mom's handbag. The seat, in pink or blue plastic, comes in a plastic envelope, specially styled for girls. It may be washed easily in hot, soapy water.

Reduction in Number Of Texas Motorcycles Recorded Last Year

Texas Department of Public Safety this week announced a three per cent reduction in motorcycles for 1957 in comparison with 1956.

In a preliminary release of statistics on traffic accidents and traffic deaths for last year, Colonel Homer Garrison Jr., director of the Texas DPS, said the Texas death rate was reduced from 6.5 deaths per 100,000,000 miles in 1956 to 6.0 motorcycles per 100,000,000 miles of driving in 1957. Actual count of deaths was 72 less than a year ago.

Texas had 2,539 motorcycles in 1957, while in 1956 a total of 2,611 persons were killed.

Garrison said the reduction in traffic deaths was recorded in spite of increased driving on our streets and highways. He said Texas motorists drove "six per cent more miles last year, in comparison with 1956, for an estimated total of 42,500,000,000 vehicle miles. This is the greatest driving mileage in our history."

Law Day Proclaimed By Hamlin Mayor as Part of Observance

Individual freedom under law is the birthright of all Americans. Laws and courts exist to protect every citizen, in his person and property, and in the individual rights and privileges he enjoys under our federal and state constitutions.

It is this liberty and equality for the individual which distinguishes our system of government from communism, under which millions of people are today living in slavery. Without laws and courts the freedoms we often take for granted would be meaningless.

This important truth is to be recognized public in a nation-wide observance of Law Day—U. S. A. to be held on May 1. The citizens of Hamlin have been invited to participate. The observance will consist of special program sponsored by various organizations and groups, and by the schools. Their purpose will be to focus public attention on the important part that law has played in America's growth and achievement.

Law Day—U. S. A. is to be the first national celebration of its kind ever held. The present status of world affairs makes it especially fitting that our people should at this time reaffirm their faith in the rule of law and their determination to strengthen it. This is both a timely and patriotic observance emphasizing respect for law and good citizenship. It merits the support and cooperation of individuals, organizations and schools.

Now, therefore, I, A. Spencer, mayor pro-tem of Hamlin, do hereby proclaim Thursday, May 1, 1958, as Law Day—U. S. A. in Hamlin and call upon all citizens, organizations and schools to recognize this special day and to join in its observance.

ALL HIS FAULT. There was once a young man who told his lady love that he had never seen such dreamy eyes . . . and was left slightly disconcerted when she remarked tartly: "But you've never stayed so late before!"

ANNOUNCES—Joe Greenhill of Travis County announced his candidacy this week for his first elective term as associate justice of the Supreme Court of Texas. Greenhill was appointed to the state's highest civil court last fall after 20 years of varied trial and appellate courts experience.

Freight Carloadings For Santa Fe Climb

Freight carloadings for the Santa Fe Railway System for the week ending March 29, 1958, were 21,808 compared with 21,184 for the same week a year ago, reflecting a gain over the year-ago figure. Cars received from connections totaled 10,296 compared with 12,046 for the same week in 1957.

Total cars moved were 32,104 compared with 33,230 for the same week a year ago. Santa Fe handled a total of 30,205 cars in the preceding week this year.

May Oil Allowable Continued at Eight Days for Production

Further cuts in oil production for wells of Texas ordered last week-end by the Texas Railroad Commission brought no jubilation from land owners and royalty owners of the Hamlin territory.

The commission set the statewide May oil allowable at 2,394,537 barrels a day, a cut of 42,537 barrels daily from April.

The commission retained its eight-day production pattern that is the same for this month, and the allowable decrease results from the calendar day differential.

Major oil companies generally asked for more oil than the commission was ready to have produced. Independent operators told the commission, meeting in Austin, that effects of the recent low allowables were just now being felt through the industry and that crude and products stocks have been reduced.

The great Chicago fire occurred in 1871, leaving homeless all but about 7,000 of a population of 77,000.

Eighth Grade Math Students Complete Six-Week Unit with Practical Lessons

Math students in the eighth grade of Hamlin Junior High School have completed a profitable six-week unit on "Spending Money Wisely." During the study of stretching the dollar, students have learned the cost of borrowing money, types of insurance to secure adequate protection against loss from the numerous hazards of life, the wise buying of merchandise so as to get good values as regards both quantity and quality.

In this unit of study an attempt was made to apply mathematics to daily living, to utilize outside consultants when possible, and to gain an insight into the use of mathematics in our community.

Early in the six-week period Wesley Nail of Turner-Nail Insurance Agency, talked to the students regarding various kinds of life insurance, fire and theft protection. Then Mrs. Everett Gib-

son, Hamlin Junior High mathematics teacher, presided over a question and answer session. Nail answered questions asked by the enthused students.

After the students had studied the coinage of our money, they were ready for the culminating activity, which was a tour through the local bank, on Wednesday, April 16. W. T. Johnson, vice president, welcomed the three groups and personally conducted them through the bank.

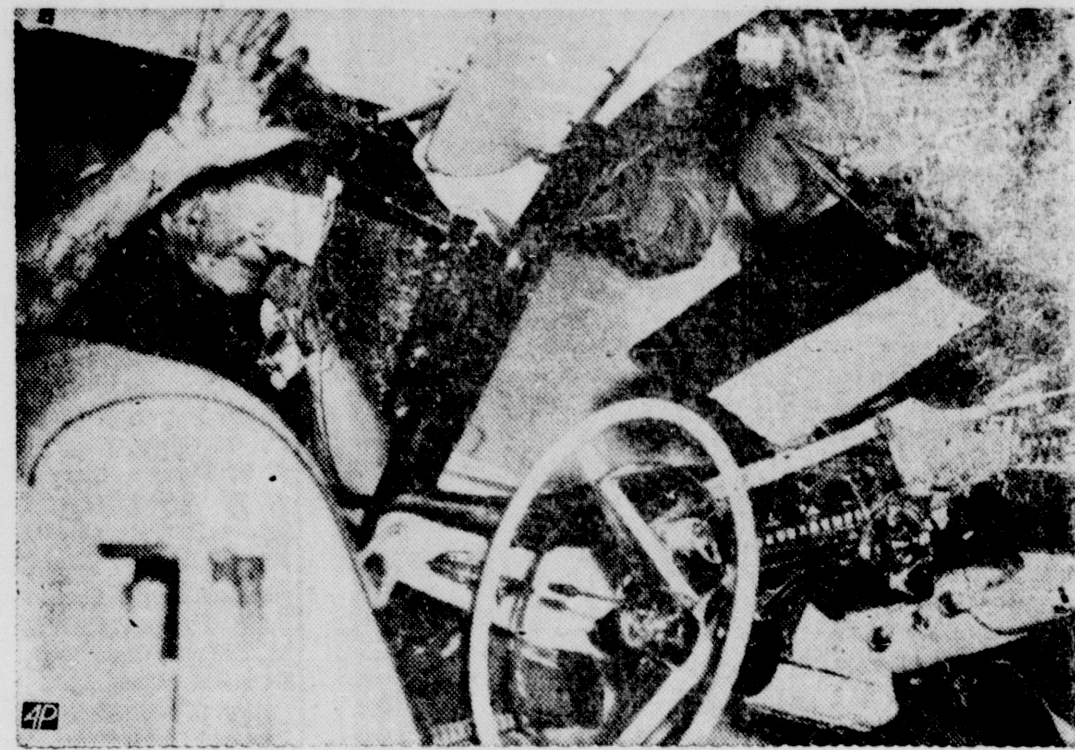

Johnson explained the various phases of depositing and borrowing money, and bookkeeping involved in the banking business. Of course, the pupils were delighted to see in operation the IBM machine, which is of major importance to the bookkeeping department of the bank. Their supreme moment came when Johnson took all of them inside the vault to view the microfilming of checks, the sacks of silver and stacks of currency.

Tate May, president of the bank, invited the 8-A students into his office and gave them a talk on "How to Establish and Maintain a Good Credit Rating." He stressed the necessity of developing a strong character and keeping a good reputation. Also he told the students to begin early in life to save part of each dollar they earned in order to have financial security to carry out worthwhile projects when they become adults.

The students left the bank with a feeling of gratitude to the school administrators and bank executives for allowing them to enjoy first hand learning experiences.

Mrs. J. W. McCrary will present her music pupils in recital next Thursday evening, May 1, at the Hamlin High School auditorium, she announces this week.

Students in both piano and accordion, representing all age groups, will be presented. The program is scheduled for 8:00 o'clock, and the public is invited.

TRAPPED IN CAR—Mrs. A. Frank Greenhalp, 51, of Dallas is shown trapped in her car after she lost control of the vehicle and slid into the side of an oil company building in Dallas. She was trapped in the car for about 20 minutes by her leg caught behind the steering wheel before she was freed from the wreckage by electric cutting equipment. Mrs. Greenhalp was taken to a local hospital in serious condition.

HAMLIN MEMORIAL HOSPITAL

Patients admitted to the Hamlin Memorial Hospital since last week's report in the Herald included the following: Mrs. Bill Ethredge, Snyder, ob April 13; Mrs. V. R. Bond, surgery, April 14; Mrs. J. L. Weaver, medical, April 14; Thomas Hart, Aspermont, medical, April 14; Randy Crouch, medical, April 14; Janice Miller, medical, April 14; Mrs. B. Hart, Aspermont, medical, April 15; Mrs. Vesta Townley, surgery, April 15; Mrs. Kenneth Scott, medical, April 16; Myrtle Robbins, Aspermont, medical, April 16; Mrs. T. J. Davis, medical, April 16; Bill Maddox Jr., medical, April 16; Mrs. Grady Smith, surgery, April 17; Mrs. B. E. Keeth, Aspermont, medical, April 17; Gus Travis, medical, April 17; Bill Curtis Watkins, surgery, April 18; Mrs. W. A. Day, L. V. Perry, medical, April 18; Mrs. Billy Deel, medical, April 17; Mrs. H. L. Neal, medical, April 19; Ricki Jenkins Sweetwater, medical, April 19.

Narrow Row Planting Of Sorghums Raises Demonstration Yield

Narrow row planting of dry grain sorghum to increase yields has created some interest in this area among grain sorghum growers, according to an announcement this week by County Agent Kirby Clayton.

To evaluate this practice, an experiment was run on the Southwestern Great Plains field station at Bushland in 1957. RS-160 was planted in 20-40 inch rows with seeding rates equivalent to 2-4 pounds per acre in each row width. Results show that row spacing had no measurable effects on yield. Two pounds per acre seeding rates yielded more grain and 1 per cent more dry matter than the four-pound seeding rate in both the 20 and 40-inch rows.

Test weight of the grain was not materially affected. Lodging rate or row spacing. Lodging of the crop was higher when planted in 20-inch rows and at the rate of four pounds.

Detailed information on this experiment is available in the county agent's office.

Westbrook's Paper on Oil Gets Second Place

Kent Westbrook of Hamlin won second place in the undergraduate division in the district American Institute of Mining and Metallurgical Engineers, petroleum engineers division student paper contest held at the University of Oklahoma recently, according to a release from Norman, Oklahoma. The contest is sponsored by the petroleum engineers section of AIME. Represented were Missouri School of Mines, University of Kansas, University of Tulsa, Oklahoma State University and the University of Oklahoma.

Westbrook is the son of Mr. and Mrs. W. C. Westbrook of 44 Northwest Avenue C. He is a senior at OU and is majoring in petroleum engineering.

Farmers Co-op Gin of Neinda

will hold its annual membership meeting Saturday night, April 26, at the Neinda Community Center. A barbecue supper and other refreshments will be served at 6:30.

Following the supper, the auditor's report will be heard and two directors will be elected.

Added Feature: A Big Rabbit Drive

will be conducted Saturday afternoon, starting at 1:00 o'clock from the Neinda store.

Women of the community will please bring cakes or pies and tea for the supper.

EVERYBODY IS INVITED!

Government Aided Projects Designed To Help Unemployment Says Senator

More people are out of work in the United States than at any time since 1931, reminds U. S. Senator Lyndon B. Johnson in his weekly news letter to The Herald.

We do not need to be panicky about this situation. But we certainly cannot afford to be complacent. So far as Congress is concerned, I see no indication of either panic or complacency.

Instead, there is sober concern combined with a determination to continue to take sound and prudent action to turn the economy upward again by providing needed jobs that will restore the buying power of those now unemployed and by strengthening the confidence of the millions who still have jobs.

Action and accomplishment marked this session of Congress up to the Easter recess. I believe that will be true also of the latter half of the session.

Some legislation still to be considered is of particular interest to Texans. Included is the matter of getting adequate conservation, navigation and reclamation projects in our state.

The future of Texas depends to an almost absolute degree upon how effectively we develop and control and conserve our water resources. Much has been accomplished along this line. A very great deal remains to be done.

Fifteen Texas projects are included in the president's budget for the water development and flood control functions of the Corps of Army Engineers.

PROMOTED IN USAF

Mr. and Mrs. W. C. Moore have received word that their son-in-law, Lee R. Howard, has been promoted to captain in the U. S. Air Force, effective last Thursday. Captain Howard is married to the former Wilma Lou Moore. He is the son of Mrs. Curtis Owen of Fort Worth.

DePriest School Sets Play Friday Evening

"One Minute to Twelve" is the title of the three-act play that will be presented tomorrow (Friday) evening by students of the DePriest Colored School in Hamlin.

Rehearsals indicate that a good story will be presented by the big cast of character. Admission for the play will be 25 cents for children and 35 cents for adults.

Those two facts constitute sound reasons for immediately speeding up work in the field of water and land development and conservation.

PROCLAMATION

SPRING CLEAN-UP WEEK

APRIL 28 THROUGH MAY 3, 1968

Whereas, cleanliness and good housekeeping protect the health and welfare of our city; and

Whereas, the destruction of human life and property is caused by disease, fire and filth; and

Whereas, it is the responsibility of every man, woman and child to assist in the protection and happiness of our community;

Now, therefore, the City Council of the City of Hamlin, Texas, does hereby proclaim the week of April 28 to May 3, 1958, inclusive as SPRING CLEAN-UP WEEK and respectfully urges the cooperation of our entire citizenship.

A. SPENCER, Mayor Pro-Tem.

A City Ordinance Regulating Transportation, Handling and Storage of Gasoline

An ordinance amending the ordinance passed and approved by the City Commission of the City of Hamlin, Texas, on the 15th day of April 1952, regulating the transportation, handling and storage of gasoline and other volatiles within the city limits of Hamlin, Texas.

Be it ordained by the City Commission of Hamlin, Texas:

Section I
(1) It shall be unlawful for any person or persons, firm or corporation, to transport, keep, store or handle gasoline or other volatiles in this city except upon compliance with the following provisions:

(b) Trucks used for transporting gasoline or other volatiles must carry tanks of at least 12-gauge galvanized steel, or at least one-fourth inch black open hearth tank steel, and said tanks must be equipped with outlet faucets of the anti-drip approved and self-closing type. Said tanks and equipment must bear the label of approval of the National Board of Fire Underwriters.

(c) That the provisions of the foregoing section shall not apply to any person, firm, association or corporation transporting gasoline or other volatile inflammable oil through the corporate limits of the City of Hamlin, Texas, in the normal course of business, and not for the purpose of unloading the same at a retail establishment within such corporate limits.

(d) Subject to the provisions of sub-division (e) thereof, all tanks at all filling stations shall be installed outside of the building underground and not less than two feet below the surface, entirely surrounded by earth well tamped in place, and top of the tank must be below the level of the lowest pipeline in the building used in connection with the equipment.

(e) If impractical to locate storage tanks outside of the building at filling station, they may be buried two feet below the level of the cement floor imbedded in the earth, and covered by at least two feet of earth and concrete.

(f) Filler pipe must be made of galvanized iron pipe two inches or more in diameter, entering at the top of the tank and extending to the bottom of the same. The upper end of said pipe must terminate in a screw cap securely locked. Where tanks are located under the building the filler pipe must run to the outside of the building and terminate in a screw cap securely locked and protected by a cast iron filler box, the same to be flush with the sidewalk or alley. The cover of the said filler box to be securely locked.

Section II
All gasoline must be drawn from tank by means of an improved suction pump or pumps which shall have a shut-off valve with ground key on the nozzle. In no case shall there be a return of waste pipe to the tank.

Section III
Where gasoline is pumped inside the building, lighting shall be

done by incandescent electric lights with all electric switches and cut-offs permanently located at least 12 inches above the floor.

Section IV
(a) No gasoline or other volatiles shall be kept in any building except when stored or handled in self-closing safety containers or in portable filling tanks.
(b) When self-closing safety containers are used for the handling or hauling of gasoline or other volatiles, not more than five gallons of gasoline or other volatiles shall be kept in any building and the self-closing containers must be of metal, or must be of approved construction, and must be of a capacity not to exceed five gallons.

Section V
(a) No person shall build or set up any tank, either at a filling station in or at a wholesale station for storage or sale of gasoline or other volatiles, without first having obtained a permit therefor from the City Commission upon the approval of the Fire Marshal, and building inspector as to the place and manner of construction.
(b) It shall be unlawful for any person to smoke in any room in which gasoline or other volatiles are kept and for the manager or other person in charge of any building in which gasoline or other volatiles are kept to allow smoking therein, and notices to this effect shall be prominently displayed.

Section VII
All ordinances and parts of ordinances inconsistent or in conflict herewith are hereby repealed.

Section IX
This ordinance shall take effect and be in force from and after its passage and publication.

Section X
The City Commission of the City of Hamlin is of the opinion and finds that the provisions of this ordinance are necessary to protect property and persons in the city limits of the City of Hamlin, Texas, and the danger that arose from the improper handling of these substances creates an emergency, and an imperative public necessity that proper regulation requiring a reading of this ordinance at more than one meeting of the City Commission of the City of Hamlin, in view of such emergency is hereby suspended.

Passed and approved by the City Commission of the City of Hamlin, Texas, on this 17th day of September, A. D. 1957.—O. D. Roland, Mayor. Attest: Mrs. H. M. Barrow, City Secretary.

First Aid Classes Being Taught

E. W. (Andy) Anderson, line chief for the Hamlin office of Southwestern Bell Telephone Company, is doing a good service for his community, we believe. He is conducting a First Aid course for members of the Volunteer Fire Department. We hope the pointers he is able to pass on to the men of the Fire Department will prove of value for this worthy group of men who work so faithfully to protect Hamlin community property and otherwise serve their community.

Andy later on will teach a class in First Aid for employees of the telephone company.

Spring House Cleaning

Is spring house cleaning under way at your home? And are you planning to do a little redecorating, too? I have a suggestion that will help add a little color to your home whether you're cleaning or redecorating. It is this: Put some color telephones in your home.

We now have nine attractive colors plus black. The colors are: White, cherry red, pastel yellow, ivory, moss green, rose pink, aqua blue, light beige and light grey.

From this variety you can choose one or several to blend or contrast with any colors in your home.

Color extension telephones are practical, too. You'll be surprised at the steps they save: No more running from one end of the house to the other to answer. And, an extension telephone will give you more privacy on calls.

Color extension telephones are economical, too. Here in Hamlin they cost only \$10.00 (one-time charge) plus a small installation charge. The monthly extension charge is only \$1.00 a month.

Going Somewhere?

Some people I know have started planning their vacations because they know planning ahead can make a vacation more fun.

They've found, too, that calling ahead makes a vacation even more fun. No worry about whether you'll find accommodations. No guessing as to whether the people you want to visit are home. Calling ahead on your vacation trip or on any trip makes it more fun, gives you more peace of mind.

And, don't forget that the people at home like to hear from you, too. A telephone call is a personal, easy way to keep in touch.

Next time, call. Take the worries out of travel.

Call by number. It's twice as fast.

Hamlin Junior High School Athletes Push Favored Anson for Area Honors

Hamlin Junior High School athletes last Saturday made a better showing than was anticipated in the five-school conference track and field meet held at Anson. The Hamlin lads were close behind favored Anson tracksters, scoring 44½ points to Anson's 46.

Other schools rated in the five-way meet were: Rotan, 21½; Merkel, 17½; and Albany, 12½.

Babe Shields was Hamlin's outstanding athlete as he won the high jump, broad jump and ran legs on the winning relay teams.

Phillip Rason of Anson scored 26 of Anson's 46 points. He won the 50, 75 and 100-yard dashes, discus and placed third in the shot-put.

Goodrum of Rotan scored 16½ of his team's 21 points. He was second in the 50 and 75-yard dashes, discus, high jump, and fourth in shot put.

The complete results of the meet follow:

50-Yard Dash—Rason of Anson, first with time of 6.0 seconds; Goodrum of Rotan, second; Jimmy Cooper of Hamlin, third; Wade of Merkel, fourth; Tucker of Albany, fifth.

75-Yard Dash—Rason of Anson, first with time of 8.45 seconds; Goodrum of Rotan, second; Jones of Albany and Teague of Anson tied for third; Frankie Lee of Hamlin, fifth.

100-Yard Dash—Rason of Anson, first with time of 10.75 seconds; Frankie Lee of Hamlin, second; Teague of Anson, third; Stovall of Hamlin, fourth; Tucker of Albany, fifth.

200-Yard Football Shuttle—Hamlin (Jesse Mendoza, Johnny Stovall, Stanley Austin and Babe Shields) first; Anson, second; Rotan, third; Albany, fourth; Merkel, fifth.

440-Yard Relay—Hamlin (Babe Shields, Rayford Williams, Frankie Lee and Jimmy Cooper), first with time of 50.7 seconds for a new conference record; Anson, second; Albany, third; Merkel, fourth; Rotan, fifth. Old record of 52.7

seconds was set by Anson team in 1957.

Chinning—McIntyre of Anson 32 times; Jones of Albany, second, 31; Cahoun of Anson, 30; Higgins of Merkel, fourth, 23; Gilmer of Merkel, fifth, 20.

High Jump—Babe Shields of Hamlin, first with jump of five feet one-fourth inch; Sledge of Merkel, Stanley Alexander of Hamlin, Goodrum of Rotan and Trice of Anson tied for second.

Broad Jump—Babe Shields of Hamlin, first with jump of 17 feet one inch; Wade of Merkel, second; Thomas of Rotan, third; Johnny Stovall of Hamlin, fourth with jump of 16 feet 11 inches; Teague of Anson, fifth.

Discus—Rason of Anson, first with throw of 120 feet 3 inches; Woodrum of Rotan, second; Frankie Lee of Hamlin, third; Stanley Austin of Hamlin, fourth; Stapp of Albany, fifth.

Shot Put—Bibbe of Merkel, first with throw of 43 feet eight inches; Frankie Lee of Hamlin, second with throw of 43 feet 1½ inches; Rason of Anson, third; Goodrum of Rotan, fourth; Robert Woodluff of Hamlin, fifth.

Mrs. W. A. Nobles, Former Resident, Dies At Corpus Christi

Mrs. W. A. Nobles, former resident of Hamlin, passed away at the home of a son, W. A. Nobles Jr., at Corpus Christi, where she has been living.

Funeral services are scheduled this (Thursday) afternoon at Pecos. Several Hamlin area people plan to attend the final rites.

Mrs. Nobles is survived by two sons, W. A. Nobles Jr. and Mahlon Nobles, both of Corpus Christi; and three daughters, Mrs. Ernest Schrimshire of Pecos, Mrs. Homer Rountree of California and Mrs. William Key of Paris, Texas.

Society is a masked ball, where everyone has his real character and reveals it by hiding—Emerson.

Demonstration in Rat Control Slated In Section Today

There will be a rat control demonstration field day in Jones County today, (Thursday), according to an announcement this week by County Agent Kirby Clayton. There will be two rat control demonstrations, one at 9:30 at the Floyd Moore farm in the Funston community, and one at 2:30 p. m. on the John R. Brown Jr. farm in the Neinda community.

Poison rat bait will be available to all farmers of the county at these demonstrations, and no one can obtain federal rat bait without attending these demonstrations.

Rats continue to cause considerable damage over the county, both to crops and to farm and city property, and this is the last chance for Jones County farmers to get in on the federal rat control program.

Rats actually equal twice the number of people on farms and are equal to the number of people in towns. Over the United States the rat population equals 50,000,000—3,000,000 in towns and 20,000,000 in cities. Each rat eats 40 pounds of food yearly at a cost of \$3; they contaminate other food worth \$6; and property damage per rat equals \$1 plus cost from diseases and other losses. Rats cost the citizens of the United States over \$1,000,000,000 annually in loss of food, crops, property and other damage.

All farmers in Jones County who are bothered with this pest are urged to attend one of these demonstrations April 24 and join in the county rat eradication campaign.

This campaign is being sponsored jointly by the county extension service and the Jones County Farm Bureau.

EVERYBODY HELPS.

"Just what good have you done for humanity?" asked the judge before passing sentence on the pick-pocket.

"Well," replied the confirmed criminal, "I've kept three or four detectives working regularly."

CAR PLUNGES INTO BAYOU—This car went out of control on a bridge near Loeb and plunged into the water below. The driver escaped but two women passengers in the back seat were drowned. The driver was Mrs. Herman Baisdale of Silsbee and the dead are Mrs. Ethel Parker and her daughter, Mrs. Beattie Metcalf, both of Silsbee.

Hamlin Woman Gets Gifts for Dystrophy

Mrs. J. F. Bobeen, campaign chairman for the Texas Veterans of Foreign Wars Auxiliary for the muscular dystrophy drive, has reported she collected more than \$600 for the Dystrophy Hospital at Liberty.

Cannisters were used by various auxiliaries over the state for the donations. Formal reports will be made at the state auxiliary convention at Beaumont, June 20 to 22, which the Hamlin woman plans to attend.

JUST A LITTLE PIECE.

And then there's the Texas yarn about the woman who called her husband and asked:

"Will you get the car out, Tex, and drive the kids to the back yard so they can play?"

More Openings for Highway Patrolmen Available in Texas

Texas Highway Patrol Sergeant Roger W. Sosebee of Abilene announced this week that examinations will be given next month for positions with the Texas Department of Public Safety.

Young Texans interested in a career in law enforcement may compete in state-wide examinations for the positions of highway patrolmen, driver license patrolman, license and weight patrolman and motor vehicle inspection patrolman. May 10 is the deadline for submitting applications to the department headquarters in Austin.

"Job security, paid vacations, sick leave and retirement are only a few of the benefits you will enjoy as a state law enforcement officer. Any young man between 21 and 35, a high school graduate and in good physical condition can contact me at the District Office, 2064 Butternut Street, Abilene, for an application," Sergeant Sosebee said.

JUST BOUNCING.

A rodeo performer from Montana visiting in Texas was invited to test one of the local broncos. He hadn't been on the horse a full second before he found himself flying through the air.

"Man," he panted, "these Texas horses sure can buck."

"He didn't buck," commented a local cow hand. "That cayuse was merely hiccupping."

Splendid Flower Show Held, Despite Display of Some Flowers Due to Cold

(concluded from page one)

Cook, Class 45; Mrs. Eddie Jay, Class 46.

First award blue ribbons also went to Mrs. S. C. Ferguson, Class 47; Mrs. R. C. Ritchey, Class 47-A; Mrs. R. D. Milk Producers Get \$5.78 for March Sales

Minimum uniform base price to be paid for 4 per cent base milk received by Central West Texas handlers from producers during March will \$5.78 per 100, according to announcement by Byford W. Bain, market administrator. A number of producers south of Hamlin are in the group.

Daily Class I sales by Central West Texas handlers during March, 1958, were 4.42 per cent less than during February but were 2.38 per cent more than the daily Class I sales during March, 1957.

VISIT FROM FORT WORTH.

Dr. and Mrs. W. B. Glass of Seminary Hill, Fort Worth, visited with his sister, Mrs. Etta Stephenson, and the Virgil Steeles last week.

IT FIGURES.

Three-year-old Sue was helping her daddy at his work bench in the basement. Finally he tired of her incessant chatter and questions and he asked her to be quiet for a little while.

"I don't have to be quiet," she stated importantly. "After all I'm a woman."

The Herald has carbon paper.
